(b)(6)

Good Afternoon Sir, my name is (b)(6) and I am the Executive Officer at the NAVCONBRIG in Chesapeake, VA. I apologize for the out of the blue email, but I wanted to check in with your team to see if you needed any logistical assistance from us. I know typically you all deal with protocol offices, but unfortunately because we are on a small annex we don't have a protocol officer.

We do have a few questions to help accommodate your visit if you have a moment. Please let me know if you would be the right POC or if I should direct them to another person, trip planner, etc.

1. Do you have an approximate time of arrival at the Brig?

2. Any particular interest items for the agenda? Below is a rough idea on what we were thinking.

22 September
- -Mission Brief (Discuss Capabilities/Shortfalls of Brig/Base as well as any data sheet questions).
- Brig Tour
- Lunch
- Windshield Tour of Base

23 September
- Discuss or show any areas that team needs further information on, etc.

3. Would you all like to eat lunch at the Brig?

4. Do you know how many are in your party and what their names and titles will be?

5. Do you know how many parking spaces you will need?

Sir, Again if these are questions that perhaps would go to a trip planner, just let me know. Thank you again for your time and we look forward to meeting you all.

Hi Alisa,

We missed you in the nonstop fun sessions this week on (b)(5)! Seriously, many thanks to (b)(6) and Anne for facilitating such helpful discussions.

I wanted to follow up on two justifications we requested during the meetings, to be sure you're tracking and in case OMC and SOUTHCOM need a little nudge:

1. (b)(5)

2.

Thank you in advance for your assistance. Please let me know if I can help clarify any of this.

Best,
Barry
