

KANSAS CONCEALED CARRY HANDGUN CERTIFIED INSTRUCTORS

The following people have been certified by the Office of Attorney General Derek Schmidt as Concealed Carry Handgun Instructors. The trainers are listed by county. Kansas citizens can receive training from any of them at any location. You do not have to take your training for concealed carry handgun permits in your home county, but you do have to apply for your permit at your home county Sheriff's office.

Please, note there are certified trainers who live in surrounding states and those names are listed by state at the end of this list.
