GUIDELINES

The Office of Attorney General Derek Schmidt is accepting applications for the State Fiscal Year (SFY) 2019 State Child Exchange and Visitation Centers Fund (CEVC) grant program. Through the Grant Program, the Victims Services Division seeks to ensure that Kansas crime victims: 1) are aware of their rights, 2) have their rights protected, 3) are aware of the services available to them, and 4) have access to quality services. Please ensure that the application you submit describes fully how the proposed project will provide quality services to victims in the service area specified in the project proposal.

The following information defines eligibility and accountability criteria, and sets forth requirements for the application and administration of grants awarded from the State Child Exchange and Visitation Centers Fund, as authorized by K.S.A. § 74-7334(e) and K.S.A. 75-720.

Please read the following document thoroughly before completing and submitting the grant application. If you have questions regarding this document or the grant program, contact Kathy Holm, Grant Monitor, at (785) 368-8305 or Kathy.Holm@ag.ks.gov.

APPLICATION DEADLINE

Each grant proposal must be submitted to the Office of the Attorney General postmarked no later than 6/4/2018. If submitted in person, the application must be delivered to the address below by 5:00 p.m. on 6/4/2018.

Note the name of the grant for which you are applying in the address block by using the following address:

PURPOSE AND CRITICAL ELEMENTS

The State Child Exchange & Visitation Centers (CEVC) grant fund is available to increase, enhance, expand, or initiate grant projects that provide services & assistance to children and families in need of supervised exchange or visitation.

OFFICE OF ATTORNEY GENERAL DEREK SCHMIDT
VICTIM SERVICES DIVISION
FUNDING PERIOD: 7/1/2018 TO 6/30/2019
SFY 2019 STATE CHILD EXCHANGE AND VISITATION CENTERS FUND

It is the intention of this grant program to provide as wide a range of coverage to the citizens of the state as possible. Assistance may encompass a wide range of support services. Specific services to be provided and the specific target group should reflect local needs and priorities.

Activities may include on-site supervision, exchange monitoring, therapeutic supervision, recording observations of visits, referrals to other services and educational parenting classes.

No maximum or minimum dollar amount has been established for individual grant awards. If your agency received a grant in the previous fiscal year and is requesting funds for continuation of the same grant project, it is suggested to limit your requested grant amount to the same amount you received last year. NOTE: there is no guarantee that your full request will be awarded. To view the total amount and awards received last year, please visit the Victim Services Grant Program website at <https://ag.ks.gov/victim-services/grants>.

REPORTING REQUIREMENTS

All reporting requirements are described in the document posted on the Victim Services website: <http://ag.ks.gov/victim-services/grants>. Please read these requirements and be familiar with the reporting requirements of this grant prior to submitting the grant application.

RECORD RETENTION

Programmatic and financial records (copies of grant applications, assurances, reports, correspondence, expenditure receipts, etc.) must be maintained by your agency for a period of five years past the close of the grant project period.

UNEXPENDED GRANT FUNDS

The final Financial Status Report (FSR) will be due within 30 days of the end of the Grant Project Period. Expenditures submitted after that point will not be reimbursed. Any funds not expended by 6/30/2019 must be returned to the Office of the Attorney General by close of business on 7/31/2019. It is the responsibility of the agency awarded the grant funds to track expenditures and payments from the Office of the Attorney General and to return unused funds by this date.

No future payments will be made until unexpended funds are returned to the Office of the Attorney General. Failure to return unused funds may also impact the ability to receive future awards. (See Grant Review Committee – Review of applications note).

Additionally, all required reports must be received before new grant funds will be disbursed.

(Cost of audit) x (Percentage of the CEVC grant / Total Agency Budget – Attachment 2).

GRANT REVIEW COMMITTEE

A committee, appointed by the Attorney General, may assist the Attorney General in determining grant awards. The Attorney General or his designee will chair the grant review committee.

REVIEW OF APPLICATIONS

The grant review committee will evaluate and score each of the applications based on the following criteria:

- The degree to which the proposal focuses on the problems and needs of children and families;
- The quality of the needs assessment and documentation in terms of proposed services for children and families;
- The record of successful implementation of services to children and families;
- Documentation and understanding of a problem as it relates to children and families in the applicant's community;
- Demonstration of clear, measurable, and appropriate proposed grant project objectives, consistent with the evaluation criteria outlined in the grant application instructions;
- The efficacy of evaluative components, both programmatic and fiscal;
- The degree of community support and collaboration for the grant project;
- Receipt of other state and local funding;
- Relevant budget information; and
- Number of persons served by the agency and the project.

Such indicators as number of staff assigned, the type of services provided, number of children and families served and the number of personnel and others trained may be used to evaluate the efficiency and impact of the grant project.

NOTE: If the applicant is applying for another year of funding, the committee will also consider the applicant's ability to find additional funding for the grant project, meet the goal(s) and objectives of the grant, submit reporting requirements in a timely manner, or any additional information the committee feels is necessary, including, but not limited to: financial stability; quality of management systems; history of performance, including timeliness of compliance with applicable reporting requirements, conformance to the terms and conditions of previous awards, and if applicable, the extent to which any previously awarded amounts will be expended prior to future awards and reports and findings from audits.

AWARD INFORMATION

The application you submit must clearly define the goal(s), objectives, and tasks that will be achieved in SFY 2019. A grant assurance sent to awardees will state the amount awarded and will explain any special conditions affecting how the funds are to be utilized during the grant year.

A formula will not be used for calculating grant awards.

It is our goal that these funds are used to effectively serve victims, so there is a heightened focus on accountability. In keeping with that focus, the Victim Services Division will offer workshops on financial management, business practices and procedures, grant writing, and victim-centered service delivery. The Victim Services staff will continue to conduct site visits to ensure that quality services are provided for victims across the state. They will also conduct technical assistance visits to address the specific needs of your grant program.

Please refrain from calling concerning the status of the application. Applicants will receive notification of the award in writing.

- Funding is always contingent upon the receipt of adequate funds and appropriations to the Office of the Attorney General by the Kansas Legislature. In the unlikely event that state funds are insufficient, grant awards may be reduced from the approved amount.

All CEVC grantees are required to submit a current and complete operations manual, including policies, procedures, and forms by October 31st each grant year. These documents must be uploaded to the OAG Grant Reports website. This requirement applies to new AND existing programs.

APPLICATION INSTRUCTIONS

In an effort to streamline the grant application process, the grant application is divided into two sections, Section 1, the Agency Information Section and Section 2, the Grant Specific Section. The Agency Information Section is information about your entire organization and can be completed once and filed with each 2019 Victim Services grant application. Section 2 contains the narrative and information specific to each grant.

- Section 1 - Agency Information Section – organizations will be required to file ONE original and TWO copies.
- Audit and related documents - organizations will be required to file ONE original Audit in the original binding from the auditor and ONE copy of the related documents with each grant application.
- Section 2 - Grant Specific Section - organizations will be required to file ONE original and FIVE copies.

Complete the template for the SFY 2019 grant application. The template includes instructions inserted in each section. **Remove the instructions once completed, leaving only your response.** The instructions are in bulleted format, but you may also select “normal” formatting for your response. This will shorten the length of the application.

Applicants must use the Excel spreadsheets for the Goal(s) and Objectives, Agency Budget, Agency Budget History, Budget Narrative, Community Partners list and the Board of Directors / Advisory Board Listing. The Excel templates are posted on the Office of the Attorney General’s website. **No substitutes may be submitted for the current Excel spreadsheets.** These templates in Microsoft Excel format will calculate and perform functions within the document and will be submitted as attachments to the application.

To download the documents posted on our website, www.ag.ks.gov, right click on the document and select “Save Target As.” A window will open and you may select the folder in which to store the document. We suggest creating a new folder for the 2019 Attorney General Grants.

WORD DOCUMENTS

- Submit the application narrative in Times New Roman - 12-point font.
- Information entered into tables may be in 11-point font, per formatting in the template.

VICTIM SERVICES DIVISION
FUNDING PERIOD: 7/1/2018 TO 6/30/2019
SFY 2019 STATE CHILD EXCHANGE AND VISITATION CENTERS FUND

- Some information on the Agency Grant Information page is formatted in 9-point font, per formatting in the template.
- Limit your written responses to the number of words specified in the instructions. Keep the information as brief as possible and explanatory statements clear and concise.
- The header in the application template is set to describe the title of the grant, fiscal year and funding period. Do not remove this information. The header provides clarity to the grant review committee as to the grant for which an agency is applying.
- The footer in the application template has been created to allow the applicant to fill in the name of the agency, in addition to numbering the pages. Enter the agency name in the footer in the application template to replace the words **“INSERT NAME OF AGENCY & CITY”** and make sure that all pages are numbered in the bottom right-hand corner.
- Add and/or delete rows to the tables in the application as necessary.

EXCEL ATTACHMENTS

- Please enter information into the spreadsheets in Times New Roman - 10-point font.
- The Agency Budget, Budget History and Project Budget Narrative spreadsheets must be printed in landscape orientation for proper readability.
- Place all landscape oriented documents with the top of the page on the left and the bottom of the page on the right.
- Preview all spreadsheets before printing to ensure that the proper print area is set.
- Use only the official “Position Title” for each employee. The “Position Title” and the “Employee’s Name” in that position must be consistent throughout the entire grant application and all attachments. Names of employees must be listed as well. If the position is vacant, please specify as “Vacant”. If a name change occurred, please note the former name in parentheses.

AGENCY BUDGET and AGENCY BUDGET HISTORY

- Please note that minor updates have been made to the Agency Budget template this year. Applicants must use the Agency Budget template posted on the OAG VS Grant Application website: <http://ag.ks.gov/victim-services/grants>
- Prepare one Agency Budget that has been approved by the Board of Directors. The approved Agency Budget must be signed by the required Board members, Fiscal Officer and the Executive Director.
- NOTE: an original printed Agency Budget with original signatures must be submitted with each OAG Grant Application. No scanned or faxed versions of the Agency Budget are allowed in the grant application.
- If the Agency Budget is revised during the grant writing process, please indicate the date the revised Agency Budget was approved by the Board of Directors, write the date of the revision at the top of the Agency Budget, and obtain the required signatures.
- The column labels offered in the Agency Budget template are examples of funding sources common to many of our agencies. An agency may rename a column heading as appropriate.

OFFICE OF ATTORNEY GENERAL DEREK SCHMIDT

FUNDING PERIOD: 7/1/2018 TO 6/30/2019

- Applicants may remove any unused “revenue source” columns in the Agency Budget Spreadsheet. This will decrease the width of the spreadsheet and allow the form to be printed in an easily read font.
- Please do not combine too many revenue sources. This spreadsheet is intended to serve as a management tool for your agency, in addition to providing information for the grant review committee. If too many revenue resources are combined into one column, the benefit of showing the revenues and expenditures separately decreases.
- Applicants may add extra rows and rename the Position Title in the Agency Budget “Personnel” category as appropriate for your agency.
- Applicants may delete unused rows in the Agency Budget “Personnel” category as appropriate for your agency. Many “Position Titles” are listed on the Agency Budget template. If you do not employ certain types of positions within your agency, you may delete the personnel lines not applicable to your agency.
- If a position is listed on the Agency Budget History, but will not be filled during the current Agency Fiscal Year, please note the end date of the position in the comments section.
- Do not delete any “Categories” or line items in the Agency Budget spreadsheets. This allows the grant review committee to review all applicants’ revenues and expenditures.

PROJECT BUDGET NARRATIVE

- If a line item in the Project Budget Narrative template is not applicable to your agency, delete the **description** offered in the template. Removing the description will allow the cell size to decrease, and the Budget Narrative will print using less paper.
- All items requested in the Project Budget Narrative must clearly tie back to the proposed goals and objectives articulated in the Project Narrative.
- All “Budget Description” fields must include a detailed, accurate and concise description of the calculation of the expenditure. For example, the applicant must indicate when a planned increase in salary/wages for grant funded staff will occur, and the new rates as well. Other examples – health and other insurance rates, retirement contribution rates, unemployment and workers compensation rates, etc.
- Calculations should include the full salary or wage for the grant year and the percentage of time devoted to the proposed Grant Project.
- All requests must include reductions for event-provided meals, if applicable, and should be clearly reflected in the computation.
- Do not delete any “Categories” or line items in the Project Budget spreadsheets. This allows the grant review committee to review all applicants’ revenues and expenditures.

Through the OAG Grant Program, the Victims Services Division seeks to ensure that Kansas crime victims: 1) are aware of their rights, 2) have their rights protected, 3) are aware of the services available to them, and 4) have access to quality services.

Please ensure that the accomplishments described in this section fully demonstrate how your agency has provided quality services to victims in your service area. Please address the following questions: What did you do for victims during the past grant year? How has your agency done this? How has the agency incorporated the values and purpose stated above into the progress made on your goals and objectives for this grant? Additionally, it is important for you to address information including, but not limited to, the following: new programs within the agency, accreditation, increased services, new or different services, awards, and recognitions, etc. **Remove the directions for this section and any unused rows after completion of the table.**

<p>Accomplishment 1: Share the three most significant agency accomplishments from July 1, 2017 through March 31, 2018. It is essential that applicants represent their agency's accomplishments for this period, in order for the Grant Review Committee to compare</p>
