COMPLAINT ALLEGATION OF RACIAL OR OTHER BIASED BASED POLICING PURSUANT TO K.S.A. 22-4606, et seq.

File No. _____, Date/Time Received _____ By: _____
(For AG Office Use Only)

It is unlawful in Kansas for law enforcement officers to use racial or other biased based policing in determining the basis for a stop, arrest or search. "Racial or other biased-based policing" means the unreasonable use of race, ethnicity, national origin, gender or religion by a law enforcement officer in deciding to initiate an enforcement action. It is not racial or other biased-based policing when race, ethnicity, national origin, gender or religion is used in combination with other identifying factors as part of a specific individual description to initiate an enforcement action.

In accordance with K.S.A. 22-4611, any person who believes such person has been subjected to racial or other biased-based policing by a law enforcement officer may file a complaint with the law enforcement agency involved. Local law enforcement agencies need to know about potential problems, have procedures in place to investigate misconduct complaints against officers, and have the authority to discipline the officers.

Citizens may also file a complaint with the office of the Attorney General on this form. Pursuant to law, the Attorney General's office will review the complaint and can refer appropriate cases to the Kansas Commission on Peace Officers Standards and Training (CPOST), which is the licensing agency for law enforcement officers. CPOST may then do further review, investigate and take appropriate action based on the complaint. To further any investigation, it will be necessary to provide the law enforcement officer and agency with a copy of your complaint. If you are under 18 years of age, a parent or guardian may file for you.

This process will not determine the lawfulness of an arrest or citation. Guilt or innocence of a criminal or traffic charge, or liability for violating rights, is determined in separate court proceedings. You will need to contact a private attorney on these matters.

Please fill out this form completely. Please include specific actions and statements and avoid conclusions in describing any allegations of misconduct.

Please complete the form and deliver it to:
