 - g. "Material fact" means a fact likely to affect a person's decision as to the amount of, or whether to make, a donation or contribution.
 - h. "Settling states" means the states that will file this Consent Judgment. As of the signing of this Consent Judgment those states may include Alaska, Arkansas, Colorado, Florida, Georgia, Hawaii, Illinois, Indiana, Iowa, Kansas, Kentucky, Louisiana, Maryland, Minnesota, Mississippi, Missouri, Montana, Nevada, New Hampshire, New Jersey, New Mexico, North Dakota, Ohio, Oklahoma, Oregon, Rhode Island, Texas, Washington, West Virginia, and Wisconsin. Further, Community Support, Inc. consents to additional states not listed here filing this consent judgment. This consent judgment is valid as between Community Support, Inc. and any state that executes and enters it, without regard to whether any other states also execute and/or enter it.

II. INJUNCTIVE TERMS

Solicitation Practices

8. IT IS HEREBY ORDERED that Community Support, in connection with soliciting contributions, is hereby permanently restrained and enjoined from:

A. Misrepresenting, or assisting others in misrepresenting, expressly or by implication, orally or in writing, any material fact through false or misleading statements or representations. Without limiting the foregoing, this prohibition includes:

- 1) misrepresenting the nature or purpose of the charitable program activities;
- 2) misrepresenting the portion of the donation that will be retained by the charity;
- 3) misrepresenting the portion of the donation that will be directly used for its charity's charitable purposes;
- 4) misrepresenting, either specifically or generally, that the charity has any connection to or is affiliated with an organization or agency, including a police, fire or other public safety organization;
- 5) misrepresenting that donations will go to a specific purpose or program unless the amount of donations that will actually be used for that purpose or program or a portion is reasonably in proportion to the charity's total program service expenditures;
- 6) misrepresenting that donations will benefit persons or organizations in the donor's state or local community unless a substantial portion of the charity's program services are provided in that state or local community;
- 7) misrepresenting that a resident of a household has previously donated to the charity, or the amount of any previous donation; and
- 8) misrepresenting that a person has already made a pledge to donate to the charity.

B. Except as provided in paragraph C of this section, using a local, state or regional address on return envelopes and other solicitation or collection materials unless the address is one at which the client charity actually has an ongoing physical presence and

conducts substantial activities unrelated to fundraising, except that Community Support shall have no more than 90 days from the Effective Date of this Judgment to continue to use supplies of written materials it had on hand on May 1, 2009. Nonetheless, Community Support shall comply with this requirement as soon as practicable.

- i. CSI may use the address of a national or a regional processing center as necessary to promote cost-savings, which must be clearly and conspicuously identified as being a mail processing address on mailings and pledge materials received by consumers so that the consumer could not misapprehend that the address is the location of the charitable organization.

C. Using post office boxes or private mail boxes as collection points for donations in states or local communities in which Community Support is soliciting unless the client charity actually has an ongoing physical presence and conducts substantial activities unrelated to fundraising in such state or local community. Community Support must cease the use of all such post office boxes or private mail boxes no later than 90 days from the Effective Date of this Judgment.

D. Failing to provide the following disclosures **IN THE FOLLOWING ORDER** after the opening greeting of the call and after disclosure of the fact the call is being recorded or in close proximity to the opening greeting, and beginning no later than the **THIRD** sentence after the opening greeting of the presentation, and in all instances prior to the request for any financial support:

- 1) the name of the individual solicitor and the full name of the company **HE OR SHE WORKS FOR**, immediately before the name of the nonprofit. The

following is an acceptable example: " ... this is (Caller's full name), an employee of a company called Community Support, Inc. [or "an employee of Community Support, Incorporated"], calling on behalf of the [charity] ..."

Further, Community Support, Inc. shall avoid any phrasing reasonably likely to cause confusion between the company name and the ordinary usage of the words "community support";

- 2) the paid and/or professional status of the individual making the call, using the terms "paid caller," OR "paid solicitor," unless state law expressly requires the use of different words; WORDING THAT CONCEALS, OBFUSCATES OR DIMINISHES THE INTENT OF THE DISCLOSURE, SUCH AS, "AS A PAID CALLER FOR COMMUNITY SUPPORT, INC., YOU HAVE THREE LEVELS OF SUPPORT TO CHOOSE FROM," DOES NOT COMPLY WITH THIS PROVISION.

E. Failing to clearly and accurately disclose how donations will substantially be used by the charity in each solicitation call.

F. Failing to conspicuously and accurately identify the location of the headquarters of the charity in all written material sent to donors.

G. Engaging in any conduct during the course of a telephone call that harasses, intimidates or frightens the recipient of a solicitation call. Harassment shall include causing a telephone to ring repeatedly or continuously with intent to annoy, abuse, or harass any person at the called number.

H. Failing to comply with all state registration laws and rules of the Settling States, including without limitation those related to the following:

- a. the identification and registration of subcontractors of Community Support;
- b. the use of entities that provide caging services;
- c. required pre- and post-solicitation disclosures;
- d. affirmative disclosure of the charitable purposes for which the donation will be spent;
- e. misrepresenting the nature or purpose of the charitable program activities; and
- f. misrepresenting the portion of the donation that will be retained.

Record Retention and Production

9. Community Support, Inc. shall keep all relevant records for at least three years, unless state law would require a longer period of time or this Judgment specifies a shorter period. Community Support shall make all such records available upon ten days' notice to any settling state. The records that Community Support, Inc. must keep include:

- a. all recordings of all calls made by Community Support, however Community Support is only required to keep recordings for 12 months;
- b. copies of each call script, letter, pledge notice, and all other solicitation materials actually used by Community Support;
- c. records identifying all persons solicited by Community Support and their donations;
- d. copies of all complaints, emails, letters and other communications from donors or other persons solicited by Community Support. During the initial year following execution of this Consent Judgment, every 30 days Community Support shall forward to the appropriate state agencies all complaints received from residents of the state, along with a statement of the steps, if any, Community Support took to resolve the complaint. Provided, this obligation shall continue for an additional year upon a request in writing from a settling state to continue for another year;

- e. copies of all Community Support's correspondence with any government agency including without limitation copies of all complaints, letters, and emails from persons solicited;
- f. copies of all contracts and other agreements with each of Community Support's charities for whom it solicits charitable donations;
- g. copies of all correspondence, reports, and summaries given to or received from Community Support's charities for whom it solicits charitable donations; and
- h. copies of all written authorizations or verifications from Community Support's clients regarding representations in the charitable solicitations made by Community Support.

Substantiation

10. IT IS FURTHER ORDERED that Community Support, Inc. shall ascertain and document before soliciting for any charity, or before entering into any agreement to solicit, and again commencing in June of 2009 and every 6 months until Community Support stops soliciting for that charity, the following:

- a. that the charity is registered, if it is required to be registered, and that it operates consistently with its stated purpose;
- b. that all initial, rebuttal, and other scripts, brochures, and other solicitation materials used by Community Support for the charity, do not misrepresent:
 - 1. the identity of the solicitor;
 - 2. the programs or services funded by the solicited contributions;
 - 3. the geographic area or areas within which those programs or services are provided; and
 - 4. the portion of donations or contributions that will be, or has previously been, applied to the charitable purpose;
- c. that the charity has provided the programs or services described in the solicitation scripts and in other solicitation materials used by Community Support during the most recent fiscal or calendar year, provided that, if such programs or services will be or have been provided for the first time during the current calendar or fiscal year, the substantiation shall be sufficient if it identifies or describes the program's intended beneficiaries and intended local communities and includes the charity's written plan and

itemized budget for delivering these benefits during the current calendar or fiscal year.

For purposes of this provision, "substantiation" means copies of thank you letters, donation receipts, canceled checks, or other evidence showing that the charity undertakes or will undertake the programs described in the solicitation materials used by Community Support; and

- d. that more than an incidental amount of the contributions received by the charity are spent on the programs or services described in the solicitation scripts and in other solicitation materials used by Community Support during the most recent fiscal or calendar year, including by reviewing a financial statement of the charity for each year and accounting period during the past two calendar or fiscal years (or for the period of the charity's operation, if less than two years) or, if the organization has filed a Form 990 or other tax return with the Internal Revenue Service at any time during the past three calendar or fiscal years, by reviewing copies of each Form 990 or other tax return filed by or on behalf of the charity during that time, provided that, if such programs or services will be or have been provided for the first time during the current calendar or fiscal year, the substantiation shall be sufficient if it identifies or describes the program's intended beneficiaries and intended local communities and includes the charity's written plan and itemized budget for delivering these benefits during the current calendar or fiscal year.
- e. that the charity has provided written confirmation that its scripts, rebuttal scripts, thank you letters, invoices, brochures, and other solicitation materials are true and not deceptive. However, this required confirmation is not, by itself, sufficient to comply with the requirements of this section. If Community Support has reasonable grounds to doubt the veracity of such confirmation, it must take reasonable steps to ascertain the truth of the representations.

11. Community Support shall meet with each client charity every six months to verify all information it uses in its solicitations is accurate and Community Support, Inc. shall document such verifications and meetings in writing and shall maintain such records, and all information obtained from the client, and provide them to any settling state regulator upon request. Such meetings may take place via telephone or videoconference.

12. No later than July 1, 2009, Community Support shall obtain from each charity for which it is currently soliciting, or with which it has a contract, written confirmation that the specific script, the rebuttal script, and Q&A's and all representations contained therein are true and accurate.

Collection Efforts

13. IT IS FURTHER ORDERED that Community Support, Inc. will not make any additional telephone calls to effect collection thirty days after the termination of any agreement with any client. In addition, in any agreement signed after May 15, 2009, Community Support, Inc. shall not include any term that allows it to continue to receive and issue the proceeds collected in accordance with the terms of any agreement with any client more than 90 days after termination of that agreement.

III. ENFORCEMENT

14. Every settling state shall have the authority to enforce or seek sanctions for violations of the provisions of this Judgment in this Court.

15. Each of the Settling States shall be able to enforce the terms of this consent judgment independently in its state courts and without approval from the other participating states.

16. Community Support, Inc. shall pay \$5,000 to \$10,000 for each individual violation of this Judgment to the state in which the violation took place or where the recipient of the solicitation is located. But Community Support, Inc. shall not be liable to that settling state for that penalty if it:

- a. Supplies recordings, documents, and other evidence, and makes employees available for interviews or other statements, at the request of and to the

satisfaction of such settling state, including but not limited to recordings of the calls in question and others as delineated by the settling state, and

- b. Clearly and convincingly demonstrates thereby that, as part of Community Support, Inc.'s routine business practices:
- i. It has established and implemented written procedures to comply with the terms of this judgment and communicated them sufficiently to all relevant employees;
 - ii. It has trained its personnel, and any entity assisting in its compliance, in the procedures established pursuant to this Judgment;
 - iii. Community Support, Inc. has maintained thorough records of such policies, their implementation, and the program of training employees in those policies;
 - iv. Community Support, Inc. monitors and enforces compliance with the procedures established pursuant to this section and keeps and makes available to any Settling State upon request complete records of all such monitoring and enforcement; and
 - v. Any conduct violating this consent judgment is a unique and isolated aberration from the norm.

17. The above Paragraph 16 and its subparts apply only in the event the settling state invokes Paragraph 16's payment provision. The foregoing payment for violation of this Judgment is intended to supplement civil penalties and other remedies already available to the state under its consumer protection laws and charitable solicitation laws. In the event Community Support, Inc. commits a violation of this Judgment and/or any applicable state laws,

the settling state, at its option, may invoke the payment provision of this Judgment, or may pursue any other remedies available by law, or both.

18. Community Support, Inc. shall pay all costs associated with any action necessary to enforce the terms of this Judgment, if it is found to have violated this Judgment.

IV. PAYMENT

19. The Settling States shall recover and Community Support, Inc. shall pay \$200,000 according to the following payment schedule:

- a. \$50,000.00 on May 31, 2009.
- b. \$25,000.00 on August 15, 2009,
- c. \$50,000.00 on January 15, 2010, and
- d. \$25,000.00 on May 15, 2010.
- e. \$50,000.00 on November 15, 2010

20. Such monies shall be paid by Community Support, Inc. to the Attorney General of the State of Missouri on behalf of the Settling States. The \$200,000.00 shall be distributed to the Settling States as per an agreement between them, to which Community Support, Inc. is not a party, and is attached to this Consent Judgment as Exhibit A.

21. In the event such funds are not paid by the specified dates, interest on any unpaid balance shall accrue at the rate of nine percent (9%) per annum from the date due until paid in full. In addition to such interest, Community Support shall pay the Settling States an additional \$300,000 if it fails to pay any of the four payments specified above, within thirty (30) days of the due date.

22. Community Support, Inc. shall immediately pay the Settling States \$500,000 should any of the financial information it provided to the Settling States in negotiating this Judgment prove to be inaccurate in any material respect.

23. As soon as practicable following receipt of the above funds, the Attorney General of the State of Missouri shall cause such funds to be distributed among the Settling States pursuant to an agreement between and among the Settling States, to which Community Support Inc., is not a party. The funds may be used at the discretion of the receiving agency in each state, consistent with state law, for purposes of reimbursement of the state's costs and fees associated with the investigation and litigation of this matter, consumer protection law enforcement, education, litigation funds, local consumer aid funds, public protection, or for any other purpose allowed by law.
