CRIME VICTIM'S
REPARATIONS BOARD

FIFTH ANNUAL REPORT
1983

STATE OF KANSAS
CRIME VICTIMS REPARATIONS BOARD

503 KANSAS AVENUE
TOPEKA, KANSAS 66603
(913) 296-2359

Honorable John Carlin, Governor
State of Kansas

Honorable Legislature
State of Kansas

Sirs and Mesdames:

I am pleased to submit the fifth annual report of the Crime Victims Reparations Board rendered pursuant to the provisions of K.S.A. 74-7301, et. seq. This report covers the fiscal year of 1983 from July 1, 1982 through June 30, 1983.

The Board is dedicated to compensating, under the law, every eligible applicant. It is our goal to continue to utilize tax dollars wisely and to administer the Act with regard to the needs and problems of the victims of violent crime. We will continue to inform the public about the program so that all persons who are eligible are aware of the program.

In the past year the Board has enjoyed the help and support of many individuals and agencies. We wish to acknowledge the assistance of law enforcement agencies, District and County Attorneys, citizen groups and the cooperation of medical personnel, attorneys, legislators, government agencies and others who have aided us in making this a successful program.

Sincerely,

A handwritten signature in cursive script that reads "Marilyn Ainsworth".

Marilyn Ainsworth
Chairperson

TO: Honorable John C. Carlin, Governor

TO: Honorable Legislature of the State of Kansas

As required by K.S.A. 74-7316, the Crime Victims Reparations Board has prepared the following annual report covering the period July 1, 1982 to June 30, 1983.

ANNUAL REPORT

Kansas Statutes K.S.A. 74-7301 - 7318, establishing a Crime Victims Reparations Board was adopted by the State Legislature in 1978 and became effective July 1, 1978. The purpose of the Crime Victims Reparations Board is to provide financial assistance to victims of crime, or their dependents in cases of death, in the payment of medical care, rehabilitation, rehabilitative occupational training and other treatment and care.

The Board is appointed by the Governor and consists of three members; Marilyn Ainsworth, Chairperson; Alma Sanford Carter, Member; and John S. Petty, Member.

The staff consists of three persons, the director, an investigator, and a secretary.

The statute provides a maximum payment of \$10,000, and any collateral source receipts are deducted from any award the Board allows. Collateral source receipts are defined as medical and hospital insurance, Social Security, Worker's Compensation, Unemployment Compensation, etc.

PROCESSING OF APPLICATIONS

The office receives numerous inquiries about eligibility for reparations. Numerous inquiries are not processed by opening a file because it was determined that the victim was not eligible under the statute. Many of ineligible inquiries concern automobile and property crimes which are excluded by the statute.

Upon receipt of a Declaration of Eligibility and Application, it is necessary to determine minimal eligibility. Therefore, compliance with the following statutory requirements must be in evidence before processing the application:

- 1) The crime was committed in Kansas.
- 2) The crime was reported to proper authorities within seventy-two hours.
- 3) The claim was filed within the one year limit set by law.

If the claim does not meet the above standards, it is determined to be ineligible and the claimant is notified.

When the claim meets these initial tests, it is necessary to:

- 1) acknowledge receipt of the Declaration and Application and forward an Authorization for them to sign and return. The authorization is necessary so that the Board has access to medical, hospital and employment records material to the claim;
- 2) obtain a description of the incident from law enforcement reports to determine if any provocation by the victim is indicated and, if so, to contact any witnesses to the incident for their statements;
- 3) acknowledge receipt of the claim and request any additional documentation which the claimant did not attach;
- 4) check with the respective District or County Attorney's office to determine if proceedings against the offender are eminent and if so to ask that restitution may be considered at time of sentencing;
- 5) verify the victim's relationship, if any, to the alleged offender;
- 6) consider other collateral sources reported as received by the claimant as a result of the incident; for example, Social Security, Worker's Compensation, private insurance, etc.

Upon receipt of the requested information, further investigation is necessary to verify:

- 1) the employment of the victim and/or the claimant;
- 2) the income reported and documentation, if the victim is/was self-employed;
- 3) hospital and doctor bills which were paid by insurance and their relevance to the claim;
- 4) personal interview with the claimant regarding the information contained in the claim, and the involvement of the claimant in the circumstances surrounding the incident.

When the Director determines the claim complete, the file is copied and submitted to the Board for their review and determination. They, in turn, may:

- a) find the claim cannot be determined due to lack of documentation or information which the Board feels necessary to make a decision;
- b) find a claim eligible under the statute for the award requested and advise a warrant be issued;
- c) find a claim eligible under the statute for a lesser amount than requested and advise that the claimant be so notified indicating that a hearing may be requested;
- d) find the claim cannot be determined due to conflicting data therein and advise a hearing is required prior to a final decision; or
- e) find the claim ineligible under the statutes and advise that the claimant be so notified indicating that a hearing may be requested.

The Staff carries out the Board's decisions by:

- a) making additional contacts in order to obtain further documentation;
- b) writing a letter to the claimant enclosing the Decision and Order and the Assignments, requesting the claimant to execute the documents, noting the claimant's right to request a hearing in the event the award is less than was requested by the claimant;

- c) requesting warrants, if an award is determined and after a signed consent has been received;
- d) scheduling a hearing if the Board finds conflicting data in a claim or is in doubt about any part of the claim;
- e) notifying the claimant, by letter, if the claim is denied stating the reason for denial and advising the claimant of the opportunity to request a hearing. The request for a hearing is to be received in the Board office within thirty days after date of notification.

In order to schedule a hearing, all parties are notified of the date and location fifteen days prior to the date set. The Board sits as the hearing officer and renders its decision as expeditiously as possible pending request for additional data.

The Board is subrogated to the cause of the action of the applicant against the person responsible for the injury or death of the victim and also against the offender for the amount of damages sustained by the applicant.

STATISTICAL AND ANALYTICAL INFORMATION

The number of claims that were filed in FY 1983 was 206 and there were 64 claims carried over from the previous year.

There were 168 decisions rendered, of which 115 new awards were made and 50 were denied, dismissed, or withdrawn.

The Board made additional awards in 3 claims in which they had retained jurisdiction from the previous year.

Attorney fees have been paid in the total amount of \$1,286.93 to 3 attorneys.

A total of \$318,323.19 has been paid to 115 victims and 3 who were awarded additional claims resulting in an average payment of approximately \$2,698.00.
