INTRODUCTION

The Kansas Crime Victims Compensation Board completed its twelfth year of operation June 30, 1990. The Kansas Legislature, in 1978, established the Board, (formerly the Crime Victims Reparations Board) pursuant to K.S.A. 74-7301, et seq. recognizing that innocent victims of crime have been overlooked by the criminal justice system. In answer to the directive of the Legislature, the Crime Victims Compensation Board during its existence (July 1, 1978 - June 30, 1990) has made awards to 2,423 victims in Kansas for out-of-pocket medical expenses, loss of earnings or support, burial expenses and other costs associated with the treatment of their injuries, sustained as a result of being a victim of a violent crime. In its twelve years of operation the Crime Victims Compensation Board has awarded a total of \$5,210,605 for payment of these losses because it was the last resort for the injured, innocent victim.

I. GENERAL PROGRAM INFORMATION

The Crime Victims Compensation Board is appointed by the Attorney General and consists of three members: Charles M. Hart, Augusta, Chair; Dorthy S. Miller, Pittsburg, and Carlos Cooper, Kansas City. There are five fulltime staff members, the Executive Director, two Investigators, a Secretary and a Keyboard Operator II.

The Crime Victims Compensation Board provides funds to victims of criminally injurious conduct, or their dependents in cases of death, in the payment of medical care, rehabilitation, rehabilitative occupational training and other treatment and care if it is determined by the Board, after thorough investigation that: (1) the victim did not provoke the incident on which the claim is based; (2) the incident occurred in Kansas or a Kansas resident who was injured in a state who does not have an eligible compensation program; (3) the incident was reported to the proper law enforcement agency within 72 hours; (4) the application for compensation was filed within one year of the incident; (5) the victim was not an accomplice to the incident; (6) economic loss totals more than \$100 and has not been recouped from other sources including collateral sources.

Work loss and dependent economic loss are limited to \$200 per week; expenses in any way related to funeral, cremation or burial are limited to \$2,000. Compensation payable to a victim or dependent may not exceed \$25,000. It is incumbent on the Board to verify that all information contained in the application is true and that the amounts requested are the responsibility of the claimant and a direct result of the incident on which the claim is based.

The Crime Victims Compensation Board experienced its most dramatic increase during FY 90 having 980 claims filed compared to 555 claims filed during FY 89. It appears that FY 91 will reflect a similar increase in the number of claims filed. The average award per claim has fluctuated somewhat; the ratio of awards paid to claims filed has remained fairly constant at nearly 60%. Attorney fees, as specified by statute, are paid only for assistance provided to the victim in preparation of the claim at the rate of \$45 per hour and are awarded in addition to the victim/claimant award.

Attorney General Stephan provides leadership to the Executive Director of the Crime Victims Compensation Board and the Victims' Rights Statewide Coordinator. They worked together to assure that victims were advised of their rights under the Victims' Rights legislation passed during the 1989 Legislative Session. They held a series of six information meetings throughout the state in September of 1989, established a Statewide Victims' Rights Hotline (1-800-828-9745), and developed a closer liason with law enforcement agencies, rape crisis centers, victim/witness programs and domestic violence programs. These initiatives were undertaken to enhance the awareness of the Crime Victims Compensation Program.

In 1982 the Legislature assigned administration of the Rape Prevention and Crisis Intervention Services portion of the Federal Preventative Health and Health Services Block Grant to the Crime Victims Compensation Board. The Crime Victims Compensation Board has available \$35,068 during FY 90. A total of \$35,068 was disbursed to local programs, statewide. The funds were used for continuation of sexual assault prevention programs for children and adults and to create or maintain rape crisis intervention hotlines. Fifteen programs received grants from this fund. (SeePage 15).

In 1984, the Legislature established the Protection From Abuse Fund (K.S.A. 74-7325) for the purpose of creating funds for programs providing services to victims of domestic abuse. The funding was established in K.S.A. 23-108a to provide an \$8 fee assessment added to marriage license fees received in each county throughout the state. In 1989, this provision was amended, raising the marriage license fee assessment to \$23. Monies deposited in the Protection From Abuse Fund are administered by the Crime Victims Compensation Board in the form of grants-in-aid.

In FY 90, a total of \$520,905 was available in the Protection From Abuse Fund and a total of \$394,405 was dis-bursed to domestic abuse programs statewide. The funds were used to assist funding the administration and operation of direct services within domestic abuse programs and consisted of the following:

- (a) 24-hour crisis intervention;
- (b) shelter or safehouse facilities;
- (c) assistance and referral for victims; and
- (d) emergency transportation.

Twenty-one programs received grants from this fund in FY 90. (See Page 14). In June 1986 the Crime Victims Compensation Board applied for and received a grant from the U.S. Department of Health and Human Services under the Family Protection From Abuse Fund. \$65,000 was awarded during FY 90 as supplemental awards to sixteen domestic violence programs.

II. FUNDING OF COMPENSATION PROGRAM

Prior to FY 83 the Crime Victims Compensation Board was solely funded by the State General Fund. During the 1982 Legislative session legislation was passed allowing the Crime Victims Compensation Board to receive an assessment of \$1 from each criminal court docket fee collected. The money received was to be deposited in the Crime Victims Compensation Fund and used solely for payment of compensation to victims. In order to meet the growing number of claims the 1985 Legislature increased to \$2 the court docket assessment earmarked for compensation.

The FY 89 Legislature, recognizing the inadequacy of the Crime Victims Compensation funding altered the funding source for compensation by deleting the deposit of \$2 of the criminal court docket fee and in its stead required the deposit of 19% of all fines, penalties and forfeitures received by each clerk of the district court of each county in the state into the Crime Victims Compensation Fund. The change of funding source increased the Crime Victims Compensation Fund to \$1,826,752, an increase of over three times the previous receipts. This funding insures that victims of violent crimes will be expeditiously reimbursed for their losses. The funding further allows all administrative costs to be borne by the Crime Victims Compensation Fund, thus ensuring that all monies received from the Protection From Abuse Fund and the Federal Programs are granted to the various domestic violence and rape crisis programs previously referred to in this report. In FY 1986 the Crime Victims Compensation Board applied for and received, under the Victims of Crime Act of 1984, federal funds totaling \$116,000 to be used for payment of compensation (\$75,468 was expended in FY 86 and \$40,522 was carried forward into FY 87). The FY 87 federal funds were not received until July 1987, hence the amount of \$131,000 was expended for payment of compensation during FY 88, together with the FY 88 federal funds received in June of 1988 in the amount of \$265,000 were paid out in compensation during FY 88.

In FY 89 \$189,000 was received in June and \$116,653 was expended during FY 89 and \$72,347 was carried forward to FY 90. In FY 90 the Crime Victims Compensation Board was advised that it had been granted an award of \$146,000. These monies were not available during the FY 90, however, a balance of \$72,347 was available for compensation from FY 89. These monies were spent and the \$146,000 was carried forward into FY 91.

III. THE APPLICATION FOR COMPENSATION

The office receives numerous inquiries about eligibility for compensation. However, some inquiries are not processed by opening a file, because it can be determined that the victim was not eligible under the statute. Many of the ineligible inquiries concern automobile and property crimes which are excluded by the statute.

If the claim meets the eligibility requirements it is necessary to:

- (1) obtain a description of the incident from law enforcement reports to determine if any provocation by the victim is indicated and, if so, to contact any witnesses to the incident for their statements;
- (2) request any additional documentation which the claimant did not attach;

(3) check with the respective District or County Attorney's office to determine if proceedings against the offender are imminent and, if so, to ask that restitution be considered at the time of sentencing;

(4) verify the victim's relationship, if any, to the alleged offender;

(5) consider other collateral sources reported as received by the claimant as a result of the incident; for example, Social Security, Worker's Compensation, private insurance, etc.

(6) verify employment of the victim and/or the claimant in cases of wage loss or dependent economic loss;

(7) verify the outstanding balances of hospital and doctor bills and their relevance to the claim; and

(8) conduct a personal interview with the claimant regarding the information contained in the claim, and the involvement of the claimant in the circumstances surrounding the incident.

The Board is subrogated to the cause of the action of the applicant against the person responsible for the injury or death of the victim and also against the offender for the amount of damages sustained by the applicant.

IV. STATUTORY HISTORY

The Crime Victims Compensation Board (K.S.A. 74-7301-7318) was established by the Legislature in 1978 to alleviate the financial hardships caused by crime-related medical expenses and loss of income sustained by victims of violent crimes in Kansas. The statute also provides that some payment can be made to dependents of deceased victims. The Legislature, H.B. 3004, amended K.S.A. 74-7305(2)(g) which allowed rape victims to be awarded compensation even though their economic loss would be less than \$100.

K.S.A. 1984 Supp. 74-7325 established the Protection From Abuse Fund for the purpose of creating funds for programs providing services to victims of domestic abuse. The funding source established in this legislation was an \$8 fee assessment added to marriage license fees received in each county throughout the state. The 1989 Legislature increased the fee assessment to \$23. These monies are deposited in the Protection from Abuse Fund and are administered by the Crime Victims Compensation Board in the form of grants-in-aid.

K.S.A. 1984 Supp. 20-362 was revised by the 1985 Legislature with S.B. 108 which increased to \$2 a fee assessment collected from the cost of each docket fee of a criminal proceeding in any county. This money was deposited in the Crime Victims Reparations Fund Established by the original docket fee assessment legislation by the 982 Legislature, H.B. 3005.

K.S.A. 74-7302 was amended by the 1985 Legislature, S.B. 344 to read as follows: "Within the limits of appropriations therefor, the board shall award compensation for economic loss arising from criminally injurious conduct if satisfied by a preponderance of the evidence that the requirements for reparations have been met." The legislative intent of this amendment was to further clarify that the Crime Victims Compensation Board is not an entitlement program.

S.B. 685 passed by the 1986 Legislature amended K.S.A. 74-7317 to allow moneys in the Crime Victims Reparations Fund to be used for state operations of the Board eliminating the commitment of the State General Fund. S.B. 685 also amended 74-7312 to allow moneys recovered by the Crime Victims Reparations Board through subrogation to be deposited in to the Crime Victims Compensation Fund rather than the State General Fund.

S.B. 700 passed by the 1986 Legislature amended K.S.A. 74-7301(e) allowing victims of motor vehicle incidents involving DUI to be eligible to receive compensation for uninsured losses under the same restrictions and limitations imposed on victims of violent crimes. S.B. 700 also added New Section 2 to K.S.A. 74-7301 (74-7319) which requires that any profits from the sale of books, magazines, or other publications or from any movie, radio, television presentation or live entertainment regarding criminally accused or convicted person's (or their assignee's) thoughts, feelings, opinion, or emotions regarding the crime shall be paid to the Crime Victims Compensation Board.

Any moneys received are to be deposited into an escrow account until distribution of funds can be determined. K.S.A. 74-7301 was amended by the 1986 Legislature, S.B. 567, which provides specific language allowing the Crime Victims Compensation Board to apply for, receive and accept money from any source, including financial contributions from inmate workers wages thus allowing the State of Kansas to meet a mandatory certification requirement to participate in the Private Sector/Prison Industry Enhancement (PIE) Program administered by the Bureau of Justice Assistance of the U.S. Department of Justice.

The 1989 Legislature in H.B. 2200 substantially amended the Crime Victims Compensation statute as follows: (a) the name of the Board was changed to Crime Victims Compensation Board; (b) the Board was transferred to the Office of the Attorney General; (c) maximum allowed for funeral expense was raised to \$2,000; (d) the maximum amount allowable per claim was raised to \$25,000; (e) the financial means test was deleted; (f) eligibility for compensation was amended to include Kansas residents victimized in states without an eligible compensation program; (g) funding of the Crime Victims Compensation program was changed from reliance on the criminal docket fee to 19% of all fines, penalties and forfeitures collected by the clerk of the district court in each county.

The 1990 Legislature in S.B. 674, amended the Crime Victims Compensation statute, K.S.A. 74-7305(b) by deleting that section which required that the offender could not live in the same household as the victim. This legislation was required by federal guidelines to insure that Kansas retain its eligibility for federal Victims of Crime funds. The Legislature further passed enabling legislation to allow counties to establish property crime compensation boards.

SUMMARY OF ILLUSTRATIVE CASES

12052-90

This 39 year old man was found unconscious in his apartment, apparently the victim of a beating. He remained comatose until his death a week later. Subsequent investigation by the police and the results of an autopsy led to the conclusion by law enforcement officials that this death was the result of an accident rather than a crime. The claim was denied.

120250-90

This four year old child was found strangled to death behind the apartment complex in which she lived. Her 12 year old friend was adjudicated in the case. The Board approved the maximum funeral allowance of \$2,000 and \$400 wage loss to the victims father.

120271-90

This 26 year old man was stabbed during an altercation at a bar. The police indicated that while it appeared this victim was an innocent victim, their investigation was severely hampered by the victim's intoxication with resulting lack of recall of what happened to him. The Board elected to award 50% of the victim's claim for medical expenses and wage loss.

120646-90

This 25 year old woman was killed shortly after leaving a bar with a friend. Her body was found by law enforcement personnel at the scene of an automobile crash. The driver subsequently plead guilty to a charge of DUI, which normally would make the passenger - victim eligible for Crime Victims Compensation. However, the driver said that the passenger - victim was in the process of voluntarily leaping from the moving vehicle at the time of the crash probably due to dependency and intoxication, and this theory was upheld by crash investigators. The Board denied the claim.

120620-90

This 33 year old woman was seven months pregnant when the car she was driving was struck by a drunk driver. The driver was ultimately convicted of DUI. As a result of the crash, the victim suffered a broken pelvis and leg and had to have an emergency cesarean section. Although the bulk of the expenses, totalling nearly \$40,000, were covered by insurance, the Board did approve \$1,500 in out-of-pocket medical and transportation expenses.

120573-90

This 41 year old woman was found bleeding from the head by law enforcement officials who had been called by neighbors to check on her welfare. It was subsequently discovered that her injuries included a broken nose and having had nearly all her teeth knocked out. A metal pipe was located and identified as the weapon used. The victims common-law husband was arrested and plead guilty to a reduced charge of Battery. The victim left this long-time abusive situation and returned to her native South Carolina. The Board approved medical and dental expense of just over \$4,000 to date.

120026-90

This 36 year old woman was brutally murdered in her home one night by her estranged boyfriend. Her 12 year old daughter awoke to discover her mother's body. The assailant, who had been on parole from a previous murder conviction, was convicted of first degree murder. The Board approved the maximum funeral and burial award of \$2,000 and continues to approve counseling expenses for the 12 year old daughter.

110453-89

This victim was working in his backyard and he heard a noise at the front of the house. He went to the front entrance, opened the door of his residence and there was a strange man who put a shotgun to the victim's head and stated "if you cooperate with me I won't kill you." The victim entered the residence and discovered that the offender was also holding his two small daughters. The offender demanded food, money and a vehicle before tying the victim's hands and feet with a curling iron and scotch tape. He then fled northbound. The offender was subsequently arrested and convicted of kidnapping and aggravated burglary. The Board approved medical expense totaling \$122.70.

110553-89

After enjoying a movie with his family, Mr. Z was en route home when the vehicle he was driving was struck from the rear. Mr. Z stopped his car and got out to check the damages. The man from the other vehicle also got out of his car and approached Mr. Z with a gun. Mr. Z and the man struggled until Mr. Z was pushed to the ground striking his head on the concrete. The man fired the gun twice wounding Mr. Z fatally. The man, after robbing Mr. Z, returned to his car and sped away. The CVCB awarded funds totaling \$830 for burial and out-of-pocket medical expense.

120481-90

This is a four year old boy who was a victim of indecent liberties. He was sexually assaulted by one of the child care workers at the day care center he attended. It was discovered later that several other children also were victimized by the same child care worker. The CVCB approved counseling expenses totaling \$460.

110261-89

This victim, an 83 year old woman was asleep on the couch. She was awakened by a man lying on top of her. He stripped her clothing from her and proceeded to rape her. He hit her several times in the head with a clothes iron. He then threatened to kill her if she called the police. There has been an arrest and conviction. The CVCB approved medical expense and out-of-pocket medical expenses totaling \$978.29.

110384-89

Found lying on the sidewalk outside her home, this 80 year old woman suffered multiple stab wounds to the throat and upper torso, which later resulted in her death. The defendant, who was an acquaintance of the victim, was visiting her. The defendant produced a knife and stabbed the victim repeatedly. The defendant was found incompetent to stand trial and was committed to a mental institution. CVCB awarded \$544.69 toward medical expense.
