# Kansas Fights Addiction Request For Proposals Updates

7/14/23

## **Recap Prevention RFP Applicants**

57 applications from 53 different organizations

All congressional districts received multiple applications

All priority areas and strategies received 1+ applications

Closed June 23 Total of \$9,395,995 Requested

## Prevention RFP Organization Type and Priority Areas Proposed

Organization Type	Number of Applicants
Non-Profit	36
Governmental Organization	17

Priority Area Proposed	Total # for All Strategies
Prevention	152
Providers and Health Systems	94
Public Safety and First Responders	51

Prevention Strategies Proposed	
Enhance partnerships between SUD/behavioral health providers and prevention providers	18
(coalitions, schools, etc.).	10
Expand implementation of school-based programming and other prevention programming	23
targeted to children, youth, and young adults.	25
Expand medication disposal interventions.	14
Expand public awareness of drug overdose epidemic and state/local resources.	28
Expand state and local polysubstance use prevention initiatives.	12
Universal primary prevention strategies that increase protective factors and address	
overall health, resiliency, and wellness among all ages (children, youth, young adults,	29
adults including parents, caregivers, etc.).	
Community-level strategic planning.	15
Youth-led prevention activities.	13
Total Prevention	152

Providers and Health Systems Strategies Proposed	
Expand implementation of CDC opioid prescribing guidelines within Kansas Health Systems.	7
Expand provider and preprofessional education opportunities (e.g., trainings on SUD	
prevention/treatment, screening processes, controlled substances prescribing, medication disposal	16
programs, wraparound services, clinical support tools).	<u> </u>
Expand telehealth services for SUD treatment services, including MAT/MOUD.	9
Facilitate patient's continuity of care by increasing service integration between health care disciplines,	17
effective care coordination, and referrals management.	<b>1</b> /
Increase the number of providers treating MAT/MOUD patients; increase access to MOUD treatment.	11
Neonatal abstinence syndrome/neonatal opioid withdrawal syndrome education and resources.	2
Screen for fentanyl in routine clinical toxicology testing.	7
Implement clinical quality improvement initiatives directed toward more effective pain management,	9
standard of care for controlled substances prescribing and dispensing, and/or risk reduction.	9
Expand implementation of best practices for treating people who can become pregnant, including safe	
and effective pain management, pregnancy testing, preconception counseling, and contraception access	4
(including long-acting reversible contraception).	
Training and provision of trauma-informed care.	7
Expand utilization of the prescription drug monitoring program, K-TRACS.	3
Identify and disseminate best practices for prescribing psychotropic medication (e.g., anxiolytics,	
psychostimulants).	2
Total Providers and Health Systems	94

Public Safety Strategies Proposed	
Expand mental/behavioral health and drug courts.	3
Expand diversion programs as an alternative to incarceration for nonviolent drug offenders.	2
Expand law enforcement and first responder access to naloxone and associated resources, including education and policy resources.	9
Expand implementation of Crisis Intervention Teams (CIT).	7
Expand first responder/public safety onboarding and data entry using the Overdose Detection Mapping Application Program (ODMAP).	1
Enhance public safety collaboration with community-based organizations.	13
Implement standardized SUD screening, treatment, and care coordination and continuity services into the criminal justice system.	3
Enhance efforts to reduce the illicit drug supply/interdiction.	5
Increase capacity of law enforcement and first responders to effectively respond to individuals with SUD.	8
Total Public Safety	51
