Identity Theft Complaint Form

Thank you for filing an investigative request. Please fill out as much information below as possible to assist in our investigative process.

Once your request is received, it will be processed by our office and reviewed by attorneys to determine how we can assist you. A case number and investigator may then be assigned. The investigator will contact you and provide with your case number within approximately two weeks after receiving your investigation request. Please know that an investigation could take several months. If you need assistance sooner, you may wish to contact a private attorney.

Before filing, please review the following tips to protect your personal and financial information:

- **Contact your financial institution immediately** and alert it to the situation.
- **File a police report** with the local law enforcement agency where the theft occurred. You will want to bring proof of your address and complete a report about the theft. You will also want to request a copy or the number of the report for your records. Our office will follow up with you to obtain a copy of the report or the report/case number.
- **Check your credit report** for any errors or new accounts that may have been opened without your authorization. You can request a copy of your report from each of the three major credit bureaus by visiting www.annualcreditreport.com.
- **Place a fraud alert on your credit report.** This can make it harder for an identity thief to open more accounts in your name. When you have an alert on your report, a business must verify your identity before it issues credit, so you may be contacted. The initial alert stays on your report for at least 90 days. You can renew it after 90 days. You can contact any of the three credit reporting agencies to report that you are an identity theft victim and ask them to put a fraud alert on your credit file.
 - TransUnion: 1-800-680-7289 or <http://www.transunion.com/fraud>
 - Experian: 1-888-397-3742 or <https://www.experian.com/fraudalert>
 - Equifax: 1-888-766-0008 or <http://www.equifax.com/CreditReportAssistance/>
- File a report with the Federal Trade Commission by calling (877) 438-4338 or online at www.ftc.gov/complaint to report the identity theft to federal authorities.
- If the identity theft is tax-related, contact the Identity Protection Specialized Unit at the IRS to assist you, if you have not already. They can be reached at 1-800-908-4490. You can also learn more about their process through their <http://www.irs.gov/uac/Identity-Protection>.
