GUIDELINES

The Office of Attorney General Kris W. Kobach is accepting applications for the State Fiscal Year (SFY) 2025 Protection from Abuse Fund (PFA) grant program. Through the Grant Program, the Victims Services Division seeks to ensure that Kansas crime victims: 1) are aware of their rights, 2) have their rights protected, 3) are aware of the services available to them, and 4) have access to quality services. Please ensure that the application you submit describes fully how the proposed project will provide quality services to victims in the service area specified in the project proposal.

The following information defines eligibility and accountability criteria, and sets forth requirements for the application and administration of grants awarded from the Protection from Abuse Fund, as authorized by K.S.A. § 74-7325 et seq.

Please read the following document thoroughly before completing and submitting the grant application. If you have questions regarding this document or the grant program, contact the Grant Monitor at (785) 368-7463 or grants@ag.ks.gov.

APPLICATION DEADLINE

Each grant proposal must be submitted no later than 11:59 on 5/03/2024 to the Office of the Attorney General through the OAG Grant Management System located, through Submittable, at <https://kansasattorneygeneralsoffice-victimservicesdivision.submittable.com/submit>.

GRANT PROJECT PERIOD

Each project funded under this grant shall be for a period of 12 months from July 1, 2024 to June 30, 2025.

PURPOSE AND CRITICAL ELEMENTS

The State Protection From Abuse Fund (PFA) was established in 1984 and is to be used solely for the purpose of making grants to programs providing:

1. Temporary emergency shelter for adult victims of domestic violence or sexual assault and their dependent children;
2. Counseling and assistance to those victims and their children; or
3. Educational services directed at reducing the incidence of domestic violence or sexual assault and diminishing its impact on victims. All moneys credited to the fund pursuant to K.S.A. § 20-367 and 60-2001, and amendments thereto, will be used only for ongoing operating expenses of such programs.

No maximum or minimum dollar amount has been established for individual grant awards. However, our agency has been notified by the Governor's Division of the Budget that grant funds comprised of State General Fund dollars could be reduced in SFY 2025. Other grant funds could also be impacted by a reduction in their funding streams as well. If your agency received a grant in the previous state fiscal year and is requesting funds for continuation of

the same grant project, it is strongly suggested to limit your requested grant amount to the same or a lesser amount than you received last year.

NOTE: there is no guarantee that your full request will be awarded. To view the total amount and awards received last year, please visit the Victim Services Grant Program website at <https://ag.ks.gov/victim-services/grants>.

REPORTING REQUIREMENTS

All reporting requirements are described in the document posted on the Victim Services website: <http://ag.ks.gov/victim-services/grants>. Please read these requirements and be familiar with the reporting requirements of this grant prior to submitting the grant application.

RECORD RETENTION

Programmatic and financial records (copies of grant applications, assurances, reports, correspondence, expense receipts, etc.) must be maintained by your organization for a period of five years past the close of the grant project period.

UNEXPENDED GRANT FUNDS

If an agency did not expend the entire award amount, the agency is required to refund any overpayment amount to our office. The grantee is accountable to track expenditures and payments from the OAG. At the end of the grant year, the grant monitor will determine the amount of the refund due. The OAG will send a letter requesting a check in that amount, providing a 3 week deadline. The Grantee must compare their grant information to the findings of the OAG. If the Grantee agrees with the assessment, they will initiate a payment within the requested deadline. If the Grantee information differs from the OAG, there is a 2 week timeframe to dispute the final number. The Grantee and the OAG grant monitor will review the records together to determine the appropriate reimbursement. Once resolved, a new request letter will be issued and an additional 3 week deadline is set.

No future payments will be made until unexpended funds are returned to the Office of the Attorney General. Failure to return unused funds may also impact the ability to receive future awards.

FINAL PAYMENT PROCESS

Final payments are made to the grantee upon reconciliation of the final reports and the completion of the special conditions. The grantee is accountable to track expenditures and payments from the OAG. Once the reports are received, if the OAG records match the final reports, a payment will be initiated. It could be up to three weeks before the check is actually generated. If the final reports do not match with the OAG grant monitor's records, the grant monitor will initiate communication to resolve the differences. Once resolved, the OAG will initiate a payment in the amount agreed upon. The actual payment may not be received for several weeks.

ELIGIBLE APPLICANTS

As used in this section, "domestic violence" means abuse as defined by the Protection From Abuse Act (K.S.A. § 60-3101 et seq., and amendments thereto). "Sexual assault" means acts defined in Article 35 of Chapter 21 of the Kansas Statutes Annotated, and amendments thereto.

In order for a not-for-profit organization to qualify for funding, it must:

1. Meet the requirements of section 501(c) of the Internal Revenue Code of 1986.

GRANT REVIEW COMMITTEE

A committee, appointed by the Attorney General, may assist the Attorney General in determining grant awards. The Attorney General or his designee will chair the grant review committee.

REVIEW OF APPLICATIONS

The grant review committee will evaluate each of the applications based on the following criteria:

- The degree to which the proposal focuses on the problems and needs of adult victims of domestic violence or sexual assault and their dependent children;
- The record of successful implementation of services to adult victims of domestic violence or sexual assault and their dependent children;
- Documentation and understanding of a problem as it relates to adult victims of domestic violence or sexual assault and their dependent children in the applicant's community;
- The degree of community support and collaboration for the grant project;
- Receipt of other state and local funding;
- Relevant budget information; and
- Number of persons served by the agency and the project.

NOTE: If the applicant is applying for another year of funding, the committee will also consider the applicant's ability to find additional funding for the grant project, meet the goal(s) and objectives of the grant, submit reporting requirements in a timely manner, or any additional information the committee feels is necessary, including, but not limited to: financial stability; quality of management systems; history of performance, including timeliness of compliance with applicable reporting requirements, conformance to the terms and conditions of previous awards, and if applicable, the extent to which any previously awarded amounts will be expended prior to future awards and reports and findings from audits.

AWARD INFORMATION

A grant assurance sent to awardees will state the amount awarded and will explain any special conditions affecting how the funds are to be utilized during the grant year.

A formula will not be used for calculating grant awards.

It is our goal that these funds are used to effectively serve victims, so there is a heightened focus on accountability. In keeping with that focus, the Victim Services Division will offer various training opportunities. The Victim Services staff will continue to conduct site visits to ensure that quality services are provided for victims across the state. They will also conduct technical assistance visits to address the specific needs of your grant program.

- The Grant Assurance and Budget Spreadsheets must be approved by the Executive Director, President of the Board, and Treasurer of the Board.
- Grant Assurances with the required signatures, revised project budgets based on the final grant award, and all other items specified in the special conditions must be submitted to the Office of the Attorney General no later than 4 weeks (28 days) after the date of notification of the award. When the due date falls on a weekend or holiday, the assurances are due the next business day.

- Payments will be submitted to accounting in September, January, April, and July if the grantee remains in compliance with reporting and grant requirements.
- Per the terms of the award, funds may be withheld if grantees do not submit the signed assurances, revised budgets and revised goals and objectives (if applicable), and other items specified in the special conditions by the due date.
- Funding is always contingent upon the receipt of adequate funds and appropriations to the Office of the Attorney General by the Kansas Legislature. In the unlikely event that state funds are insufficient, grant awards may be reduced from the approved amount.
- Site Visits or book reviews will be conducted as needed. Grantee is required to submit requested information to the OAG by the designated deadline and participate in a virtual or in-person review of the information.

APPLICATION INSTRUCTIONS

In an effort to streamline the grant application process, the grant application is divided into two sections—the Agency Information Section and the Grant Specific Section. The Agency Information Section is information about your entire organization and will be completed once and filed prior to receiving the second section (Grant Specific Information). The second section contains the narrative and information specific to each grant and will be sent to agencies when the first section is complete.

Applicants must use the forms on the OAG website for the Agency Budget, Community Partners list, the Sexual Harassment, Discrimination and Retaliation policy form, and the Board of Directors / Advisory Board Listing. The Excel templates are posted on the Office of the Attorney General’s website and are also accessible through links on the Grant Management System. **No substitutes may be submitted for the current Excel spreadsheets.** These templates in Microsoft Excel format will calculate and perform functions

ATTACHMENTS

Attachment: KS SECRETARY OF STATE CERTIFICATE OF GOOD STANDING

- If the applicant is a not-for-profit organization, submit a **current** (less than one year old) copy of the organization's Certificate of Good Standing with the Kansas Secretary of State's Office available at [certificates of good standing](#).
- You may contact the Secretary of State's office for assistance at (785) 296-4564 during the hours of 8am-5pm, Monday - Friday.

Attachment: AGENCY BUDGET

- Prepare one Agency Budget, with your next fiscal year budget, including balanced revenue and expenses that has been approved by the Board of Directors. The Agency Budget must be approved by the required Board members, Fiscal Officer and the Executive Director.
- If the applicant is a governmental entity, the agency budget will be for the grant program only, not for the entire governmental entity.

Agency Budget - Revenue

- The revenue category should list all sources of financial support (i.e. foundations, government agencies, fund-raising events, individual contributions, etc.).
- For each revenue source, state the amount, the awarding agency and its status (received, requested, committed, or projected).
- If the revenue is requested or projected, state the date the agency expects to be notified of the funding decision or the date the agency anticipates collecting the revenue.
- Include the appropriate pro-rated portion of this grant application request as budgeted revenue with a "requested" status.
- The column labels offered in the Agency Budget template are examples of funding sources common to many of our agencies.

OFFICE OF ATTORNEY GENERAL KRIS W. KOBACH
VICTIM SERVICES DIVISION
FUNDING PERIOD: JULY 1, 2024 TO JUNE 30, 2025
SFY 2025 PROTECTION FROM ABUSE FUND

- Columns may be re-labeled to display your organization’s specific funding sources separately:
 - Grants from the Office of Attorney General
 - Grants from the Kansas Governor’s Grants Program (KGGP)
 - Other federal grants
- Applicants may remove any unused “revenue source” columns in the Agency Budget Spreadsheet. This will decrease the width of the spreadsheet and allow the form to be printed in an easily read font.
- Please do not combine sources of revenue. This spreadsheet is intended to serve as a management tool for your organization, in addition to providing information for the grant review committee. If too many revenue resources are combined into one column, the benefit of showing the funding sources separately decreases.

Agency Budget - Expenses

- Applicants may add extra rows and rename the Position Title in the Agency Budget “Personnel” category as appropriate for your agency.
- Applicants may delete unused rows in the Agency Budget “Personnel” category as appropriate for your agency. Many “Position Titles” are listed on the Agency Budget template. If you do not employ certain types of positions within your organization, you may delete the personnel lines not applicable to your organization.

Tips for the Agency Budget Spreadsheet

- All line item expenses requested in the Grant Project Budget Narrative must be addressed in the Agency Budget.
- All amounts should be rounded to the nearest whole dollar.
- List all personnel positions separately and state the name of the current employee with their respective salary.
- If the position is vacant, please specify as “Vacant”.
- If a name change occurred, please note the former name in parentheses.
- Use only the official “Position Title” for each employee. The “Position Title” and the “Employee’s Name” in that position must be consistent throughout the entire grant application and all attachments.
- Indicate whether it is a new position (N) or an existing position (E) to the organization.
- Refer to the section “Limitations on Grant Funding” for further instructions regarding allowable and non-allowable use of grant funds.
- Do not delete any “Categories” or line items in the Grant Project Budget Narrative or Agency Budget spreadsheets. This allows the grant review committee to review and compare all applicants’ revenues and expenses.
- The Grant Project Budget Narrative and Agency Budget must be approved by the Executive Director (or Authorized Agency Representative), Board President, and Board Treasurer (or Fiscal Officer).
- The budget spreadsheets are posted on the our website, <https://ag.ks.gov/victim-services/grants>

- Submit a current copy of the cover sheet of the organization's liability and casualty insurance policies. Do not include the entire policy, even if a coversheet is not available; if this is the case, include an explanation of the coverage, not the entire policy. If coverage is provided by another organization or government, provide a letter from that entity affirming this.

Attachment: LIST OF CURRENT BOARD MEMBERS

- Complete the Board and Advisory Board Excel spreadsheet, adding or deleting rows as necessary.
- Please include the position of each member at their work place. This will allow the Grant Review Committee to understand the various types of experience and expertise contributed by the Board members.
- To ensure appropriate checks and balances for grant funds, appropriate separation of board and staff roles and responsibilities, with no potential conflict of interest, is essential. For example, no board member may be an employee of the organization, or derive benefit, from board decisions, financially or otherwise.
- The Office of the Attorney General recommends that not-for-profit agencies have a sufficient number of members to ensure proper oversight. In addition, we also recommend that members are representative of the demographic profile of the area the organization serves.

- From the website or the link in the application, download and print the provided Sexual Harassment Policy form.
- Sign, date, and record your name and the agency name on the document.
