PURPOSE AND CRITICAL ELEMENTS

The State Crime Victims' Assistance Fund for Child Abuse and Neglect (CA) was established in 1994 to fund programs whose primary function is preventing child abuse and neglect or providing residential services or facilities to victims of child abuse or neglect. The grant funds are to be used for ongoing operating expenses of programs, **including court-appointed special advocate programs**, providing:

1. Temporary emergency shelter for victims of child abuse and neglect;
2. Counseling and assistance to those child victims; or
3. Educational services directed at reducing the incidence of child abuse and neglect and diminishing its impact on the child victim.

Grants made to programs will be based on the numbers of persons served by the program and will be made only to programs aimed at preventing child abuse and neglect or providing residential services or facilities to victims of child abuse or neglect.

No maximum or minimum dollar amount has been established for individual grant awards. It is strongly suggested to limit your requested grant amount to the same or a lesser amount than you received last year. There is no guarantee that your full request will be awarded. To view the total amount and awards received last year, please visit the Victim Services Grant Program website at <https://ag.ks.gov/victim-services/grants>
