State Human Trafficking Victims' Assistance Fund (HTVAF)

No maximum or minimum dollar amount has been established for individual grant awards. However, our agency has been notified by the Governor's Division of the Budget that grant funds comprised of State General Fund dollars could be reduced in SFY 2024. Other grant funds could also be impacted by a reduction in their funding streams as well. If your agency received a grant in the previous state fiscal year and is requesting funds for continuation of the same grant project, it is strongly suggested to limit your requested grant amount to the same or a lesser amount than you received last year. **The HTVAF Grant funding is to be limited to three years and is for new and/or continuing innovative projects.** Funds may be utilized to continue an existing grant project for the second or third year, as well as create new grant projects to provide services to victims of human trafficking. HTVAF grant projects should not be viewed as an entitlement project, but, rather, short-term support for new or expanded grant project activities. Eligible applicants should indicate how they are seeking other sources of funding to continue their grant projects and how their grant projects will continue to function without HTVAF grant funding. NOTE: there is no guarantee that your full request will be awarded. To view the total amount and awards received last year, please visit the Victim Services Grant Program website at <https://ag.ks.gov/victim-services/grants> (<https://ag.ks.gov/victim-services/grants>).
