Topeka, KS 66612-1597

Annual Victims' Remembrance Reception

**Sponsored by the
Victims Services Division,
Office of Attorney General
Derek Schmidt
&
The Kansas Organization for
Victim Assistance (KOVA)**

Join us for our Annual Remembrance Receptions

Each year in December, the Victims' Remembrance Reception is held for victims' families in memory of those who have lost their lives at the hands of another.

Receptions are held in **Kansas City, Topeka, Wichita, and Garden City.** Victims' families may send pictures and personal messages to be included in a power point that is shown during the event.

In addition, they may bring an ornament in honor of their loved one to place on the Angel Trees that will be on display during the program.

If you would like to receive notice of this year's receptions, please complete the information on the right side of this brochure and send to the Attorney General's Victims Services Division.

You will then receive an invitation in November with specific information regarding dates and locations of each event. The invitation will also include instructions on where and when to submit pictures and personal messages.

Please complete and return this form to receive more information on our Annual Remembrance Receptions.
