

Helping Crime Victims

A Guide to Victims' Assistance Services in Kansas

The information in this booklet is intended to assist in obtaining services and resources for victims of crime.

KANSAS
ATTORNEY GENERAL

DEREK SCHMIDT

Message from Attorney General Derek Schmidt

Dear Fellow Kansans:

Becoming the victim of crime can leave a person, their family and loved ones feeling shaken, frightened and uncertain about what to do next.

But crime victims are not alone. Our office and many other supportive organizations throughout Kansas are available to help – help navigate through the criminal justice system, help obtain support services, help with financial costs caused by violent crime.

This booklet is designed to give you information about what services are available and where to ask about them. It gives an overview that is, to the best of our knowledge, complete and accurate. But services change, and sometimes it's just difficult to know where to start. If ever you have questions, please feel free to call our Victims Services Division at (785) 291-3950 and we can help guide you to resources that fit your needs.

Thank you for the honor of serving as your attorney general.

Sincerely,

A handwritten signature in black ink that reads "Derek". The signature is written in a cursive, slightly stylized font.

Kansas Constitutional Amendment for Victims' Rights

Article 15, Section 15 of the Constitution of the State of Kansas reads as follows:

Victims' Rights. (1) Victims of crime, as defined by law, shall be entitled to certain basic rights, including the right to be informed of and to be present at public hearings, as defined by law, of the criminal justice process, and to be heard at

sentencing or at any other time deemed appropriate by the court, to the extent that these rights do not interfere with the constitutional or statutory rights of the accused.

(b) Nothing in this section shall be construed as creating a cause of action for money damages against the state, a county, a municipality, or any of the agencies, instrumentalities, or employees thereof. The Legislature may provide for other remedies to ensure adequate enforcement of this section.

(c) Nothing in this section shall be construed to authorize a court to set aside or to void a finding of guilty or authorize a court to set aside or to void a finding of guilty or not guilty or an acceptance of a plea of guilty or to set aside any sentence imposed or any other final disposition in any criminal case.
