Greetings:

K.S.A. 75-7c16(b) of the Kansas Personal and Family Protection Act (hereinafter “the Act”), also known as the concealed carry handgun law, requires the Attorney General, on or before January 1 of each year, to submit a statistical report to the Governor, President of the Senate, the Senate Minority Leader, the Speaker of the House of Representatives and the House Minority Leader indicating the number of concealed carry handgun licenses (hereinafter “license” or “licenses”) issued, revoked, suspended and denied during the preceding fiscal year and the reasons for the revocations, suspensions and denials. The day-to-day administration of the Act is monitored by the Attorney General’s concealed carry licensing unit (CCLU).

Licenses Issued

Note: Under the Act, the CCLU does not “issue” the actual license card. The CCLU approves an application and sends the applicant (whether initial or renewal) an approval notice. The applicant may then take that approval notice to one of many Kansas Department of Revenue stations in order to have the actual license card issued.

Initial Licenses: In Fiscal Year 2021 (FY21), the CCLU issued 7,717 new or initial concealed carry handgun licenses. From FY16, when the general allowance of *unlicensed* concealed carry became law in Kansas until FY20, initial application numbers declined.¹ FY21 saw a significant increase in new license applications when compared to the five previous fiscal years.

Renewal Licenses: In FY21, the CCLU issued 19,016 renewed licenses. Initial and renewed Kansas licenses are valid for four years. FY21 was a larger than usual year for renewals as it included the second round of renewals for FY13, the largest year of initial applications.

Application Denials

If an applicant’s history disqualifies the applicant under the Act’s eligibility criteria found under K.S.A. 75-7c04(a), that applicant “shall” be denied a license. During FY21, the CCLU denied 0 initial applications and denied 4 renewal applications.

Administrative Actions against Licenses

Suspensions: The Act requires that a license shall be “suspended” if the licensee becomes subject to a criminal charge or other “proceeding” which *could* render them ineligible under K.S.A. 75-7c04(a). See, K.S.A. 75-7c07(b). An *immediate* suspension is required of licenses where the licensee is subject to a qualifying protection order. See, K.S.A. 75-7c07(c). In FY21, 4 suspensions were proposed.

Revocations: If a licensee becomes ineligible to maintain their license, the Act requires the “revocation” of that license. See, K.S.A. 75-7c07(a). In FY21, 38 revocations were proposed.

Any suspended or revoked license holder who is later cleared of a charge, or otherwise regains eligibility for a license, can have their license “reinstated” if the license has not expired.

Surrenders: While the Act generally requires Kansas residency in order to obtain and maintain a license,² the Act allows the licensee to notify the CCLU of the move to a new state and the license will remain valid for up to 90 days. After that, the CCLU simply surrenders the license (as opposed to revoking the same). In FY21, the CCLU voluntarily surrendered 72 licenses following notification by the licensee that he or she had changed residency to another state.

KAPA: The denial, suspension, and revocation procedures outlined in the Act are performed in accordance with the Kansas Administrative Procedures Act (KAPA). KAPA generally requires that, prior to any denial, suspension, or revocation becoming final, the applicant or licensee be given notice and an opportunity to request a hearing. Occasionally, because of this notice period, new information can result in a proposed action of the CCLU becoming “rescinded” before the action is final. For

¹ See, K.S.A. 21-6302 generally allowing *unlicensed* concealed carry of firearms for those persons at least 21 years of age; and K.S.A. 75-7c03 stating that the “availability” of licensed concealed carry under the Act should not be construed to prohibit handgun carry “whether carried openly or concealed, or loaded or unloaded.”

² The exception to this general rule is active duty military and their qualifying dependents; they may keep their home of record and still obtain a Kansas license while stationed here in Kansas.

example: a temporary protection order being dismissed or a criminal charge being misreported or reduced. It should be noted that not requesting a KAPA hearing following a denial, suspension or revocation does not prohibit future licensure of that person should that person later attain eligibility for licensure.

Fluidity: With respect to the suspension and revocation procedures, an occasional result occurs when a license is first “suspended” because of a *possible* ineligibility (i.e. a pending felony charge) followed by a “revocation” of that same license if the licensee later becomes *actually* ineligible under the Act (i.e., the licensee is convicted of that felony charge). It is also possible for a suspension and/or revocation process to span between fiscal years.

Sincerely,

Derek Schmidt
Kansas Attorney General

³ Suspensions usually reference allegations of conduct that are still pending in the court system. As a result, any descriptions here are simply recitations of the conduct alleged against the licensee in those matters.
