SCHOOL SAFETY & CRISIS TIP LINE SERVICES

WHERE THERE IS HELP, THERE IS HOPE
WHAT IS SAFEUT?

• The Utah Legislature created the statewide School Safety and Crisis Line in 2015 (SB0175). The program was expanded in 2018 to include grants for all institutions of higher education to qualify for the program (HB 370).

• SafeUT is a Crisis Chat Line and a School Safety Tip Line developed for all students in Utah, including higher education students. All 41 Utah K-12 school districts have adopted the use of the Safe UT app as well as all eight State sponsored Institutions of Higher Education.
WHAT IS SAFEUT?

- The SafeUT Commission continues to help develop and implement the program in Utah schools. The commission is represented by:
  - Utah Attorney General's Office
  - Utah State Legislature
  - University of Utah Neuropsychiatric Institute (UNI)
  - Utah System of Higher Education (USHE)
  - Utah State Board of Education (USBE)
  - University of Utah Health IT Department
  - Utah Department of Human Services (DHS)

- In an effort to address school safety and reduce Utah’s suicide rate, Safe UT received additional funding during the 2018 Legislative Session to expand services to all institutions of higher education in Utah.
