

## **GUIDELINES: PFA Grant Program**

The Office of Attorney General Kris W. Kobach is accepting applications for the State Fiscal Year (SFY) 2024 Protection from Abuse Fund (PFA) grant program. Through the Grant Program, the Victims Services Division seeks to ensure that Kansas crime victims: 1) are aware of their rights, 2) have their rights protected, 3) are aware of the services available to them, and 4) have access to quality services. Please ensure that the application you submit describes fully how the proposed project will provide quality services to victims in the service area specified in the project proposal.

The following information defines guidelines, purpose, eligibility and fund limitations criteria for the application to the Protection from Abuse Fund, as authorized by K.S.A. § 74-7325 et seq.

Please read the grant application instructions thoroughly before completing and submitting the grant application. If you have questions regarding this document or the grant program, contact the Grant Monitor at (785) 368-7463 or [grants@ag.ks.gov](mailto:grants@ag.ks.gov).

### **PURPOSE AND CRITICAL ELEMENTS**

The State Protection From Abuse Fund (PFA) was established in 1984 and is to be used solely for the purpose of making grants to programs providing:

- 1. Temporary emergency shelter for adult victims of domestic violence or sexual assault and their dependent children;**
- 2. Counseling and assistance to those victims and their children; or**
- 3. Educational services directed at reducing the incidence of domestic violence or sexual assault and diminishing its impact on victims.**

**All moneys credited to the fund pursuant to K.S.A. § 20-367 and 60-2001, and amendments thereto, will be used only for ongoing operating expenses of such programs.**

No maximum or minimum dollar amount has been established for individual grant awards. If your agency received a grant in the previous state fiscal year and is requesting funds for continuation of the same grant project, it is strongly suggested to limit your requested grant amount to the same or a lesser amount than you received last year. There is no guarantee that your full request will be awarded. To view the total amount and awards received last year, please visit the Victim Services Grant Program website at <https://ag.ks.gov/victim-services/grants>

### **ELIGIBLE APPLICANTS**

Grants made to programs will be based on the numbers of persons served by the program and will be made to agencies which are engaged, as their primary function, in programs aimed at preventing domestic violence or sexual assault or providing residential services or facilities to family or household members who are victims of domestic violence or sexual assault.

In order for a not-for-profit organization to qualify for funding, it must:

1. Meet the requirements of section 501(c) of the Internal Revenue Code of 1986.
2. Be registered and in good standing as a not-for-profit corporation.
3. Meet normally accepted standards for not-for-profit organizations.

4. Have trustees or board of directors who represent the racial, ethnic, and socioeconomic diversity of the county or counties served.
5. Have received fifty (50) percent or more of their agency budget from sources other than funds distributed through this fund. Other sources may be public or private, and may include contributions of goods or services, including materials, commodities, transportation, office space, or other types of facilities or personal services.
6. Demonstrate the ability to successfully administer programs that meet the criteria defined in this document.
7. Make available an independent certified audit of the previous year's financial records.
8. Have obtained appropriate licensing or certification, or both.
9. Serve a significant number of residents of the county or counties served.
10. Not duplicate services already adequately provided to county residents.
11. Agree to comply with reporting requirements.

As used in this section, "domestic violence" means abuse as defined by the Protection From Abuse Act (K.S.A. § 60-3101 et seq., and amendments thereto). "Sexual assault" means acts defined in Article 35 of Chapter 21 of the Kansas Statutes Annotated, and amendments thereto.
