TO: Honorable Laura Kelly, Governor  
Members of the Kansas Legislature

The Crime Victims Compensation Board continues to provide assistance to victims of crime in Kansas who experience financial hardship as the result of their victimization. The mission of the Board is, **“To award just compensation to victims for economic loss arising from violent crime.”** As a payer of last resort, the Crime Victims Compensation Board assists victims of crime with medical bills, funeral expenses, lost wages, counseling, and other crime-related expenses. Victims and their families express immense gratitude to the Board and staff for helping with expenses they did not anticipate and could not afford. Assisting victims and their families with these unexpected costs does not erase the trauma they experienced, but it helps to alleviate the financial burden they may face after experiencing violence.

The Board and staff are dedicated to upholding their mission through ongoing partnerships with Kansas law enforcement agencies, prosecutor’s offices, victim advocates and service providers throughout the State. Staff and Board members continued conducting outreach to promote the program throughout 2021 in order to serve more victims.

Service to victims is one of my top priorities as attorney general, and the Crime Victims Compensation Board provides an invaluable support to those who experience violence in Kansas. I am grateful to the Board members and my staff who administer this program and continue to provide financial assistance to crime victims. On behalf of my staff and the innocent victims of crime in Kansas, I thank you for your continued support of the Kansas Crime Victims Compensation Board.

Sincerely,

A handwritten signature in black ink that reads "Derek". The signature is written in a cursive, flowing style.

Derek Schmidt  
Kansas Attorney General

# Introduction

The Crime Victims Compensation Board (CVCB) was established by the Kansas Legislature in 1978 pursuant to *K.S.A. 74-7301, et seq.*, to provide monetary compensation for out-of-pocket medical expenses, loss of earnings or support, burial expenses, and other costs associated with the treatment of injuries sustained as a result of being a victim of a violent crime. Compensation provided in fiscal year 2021 totaled **\$2,571,371**. In the 43 years of its existence, from 1978 through 2021, the Board has granted payments to crime victims totaling **\$98,309,387**. While financial assistance alone does not provide complete restoration, the Legislature is to be commended for recognizing that monetary aid can relieve some of the immediate pressures and stresses that compound the consequences of crime.

## Composition of the Board

The Crime Victims Compensation Board is a three-member Board appointed by the Attorney General. Members are subject to confirmation by the Kansas Senate. No more than two members of the Board are to be of the same political party. The chair is required by statute to be a person regularly admitted to practice law in Kansas. Each board member is appointed for a term of four years. The Crime Victims Compensation Board consists of six staff members: an executive director, two investigators, one accounting specialist, and two secretaries. The Board meets monthly to review claim summaries, make claim determinations, and hear appeals.

*“If I haven’t said thank you enough, here’s another thank you from myself, [the victim], and our entire family...The kindness you guys have shown us swells within our hearts. As unfortunate as this [has] been for [the victim] and our family, it is good to know that there is help and hope. Thank you again and always stay blessed our prayer for you and all within the Attorney General’s office.”*

# Eligibility

- An application for compensation may be filed by:
  - (1) the victim;
  - (2) a dependent of a deceased victim;
  - (3) a third person other than a collateral source; or
  - (4) an authorized person acting on behalf of any of the above.
- The claim must be filed within two years of the incident with certain exceptions for sexual assault cases (Child sexual assault claims are based on the date the crime was reported to law enforcement officials).
- For juveniles who witness a violent crime applications may be submitted until their 19<sup>th</sup> birthday. Compensation for mental health counseling may be provided for sexually violent offenses if a claim is filed within ten years (or within 10 years of turning 18 for juveniles)..
- The victim suffered bodily injury or death as a result of the criminal actions of another or the victim needs mental health counseling because of emotional trauma resulting from a violent crime.
- The incident occurred in Kansas or was committed outside the United States against a person whose domicile is in Kansas.
- The incident was reported to law enforcement officials within 72 hours or would have been reported within that time except for good cause with an exception for child human trafficking victims.
- The victim and/or claimant fully cooperated with law enforcement officials during the investigation and prosecution of his or her case with an exception for child human trafficking victims.
- Economic loss (medical expenses, wage loss, etc.) will total \$100 or more and has not been, nor will be, totally paid by other sources. The loss may be less than \$100 for crimes of sexual assault or human trafficking.
- The claimant was not the offender or an accomplice of the offender. An award may not be made to another person if the award would unjustly benefit the offender or accomplice.

➤ ***Compensation may be awarded only if the Board finds that unless the claimant is awarded compensation, the claimant will suffer financial stress as the result of economic loss that is otherwise reparable. A claimant suffers financial stress only if the claimant cannot maintain his or her customary level of health, safety and education without undue financial hardship.***

# Diminishment of Compensation

The board may diminish a claim if:

- The board finds the claimant or victim has not fully cooperated with the appropriate law enforcement agencies.
- The economic loss is recouped from other sources, including collateral sources.
- The board deems reasonable...
  - ...Because of the *contributory misconduct* of the claimant or of a victim whom the claimant claims (does not apply to child human trafficking victims).
  - ...Because the victim was likely engaging in or attempting to engage in unlawful activity at the time of the crime (does not apply to claims for sexual assault, domestic violence, or human trafficking).

# Revenue Sources

The Crime Victims Compensation Board receives funding from both the state and federal government. The monies come from the following sources:

- **10.94 percent of all fines, penalties and forfeitures** remitted from Kansas district courts.
- **Fines, penalties and forfeitures from federal convictions.** These funds are administered through Victims of Crime Act (VOCA) grants by the Office for Victims of Crime within the U.S. Department of Justice. States may apply for a grant each year equal to 60 percent of the total awarded to victims from state funds in the previous federal fiscal year.
- **Court-ordered restitution** from offenders, subrogation, and refunds. Judges are encouraged to order offenders to pay restitution to reimburse the fund for awards granted. Refunds and funds from subrogation are received when a claimant's financial obligation has been met through a collateral source.
- **Kansas Department of Corrections.** Five percent of the gross wages of inmates employed in a private industry program other than work release, a portion of supervision fees from parolees and probationers, and administrative fees assessed to inmates for maintenance of their trust accounts are paid to the Crime Victims Compensation Fund.
