I. GENERAL PROGRAM INFORMATION

The Crime Victims Reparations Board is appointed by the Governor and consists of three members: Michael A. Barbara, Chairperson; Georgia Nesselrode, Member; and one vacancy.

There are three fulltime staff: the Executive Director, an Investigator, and a Secretary.

The Crime Victims Reparations Board provides funds to victims of criminally injurious conduct, or their dependents in cases of death, in the payment of medical care, rehabilitation, rehabilitative occupational training and other treatment and care if it is determined by the Board, after thorough investigation that the victim: (1) did not provoke the incident on which the claim is based; (2) the incident occurred in Kansas; (3) the incident was reported to the proper law enforcement agency within 72 hours; (4) the application for reparations was filed within one year of the incident; (5) was not an accomplice or related to the offender; (6) economic loss totals more than \$100.00 and has not been recouped from other sources including collateral sources.

Work loss and dependent economic loss are limited to \$200.00 per week; expenses in any way related to funeral, cremation or burial are limited to \$750.00. Reparations payable to a victim or dependent may not exceed \$10,000.00. It is incumbent on the Board to verify that all information contained in the application is true and that the amounts requested are the responsibility of the claimant and a direct result of the incident on which the claim is based.

The Crime Victims Reparations Board has experienced a dramatic increase in claims filed every year since FY 1982. Claims filed have increased almost 30% each year, and while the average award per claim has fluctuated somewhat, the ratio of claims filed to awards paid has remained fairly constant at nearly 60%. Attorneys fees, as specified by statute, are paid only for assistance provided to the victim in preparation of a claim at the rate of \$45.00 per hour and are awarded in addition to the victim/claimant award.

It is important to note that the increase described above has occurred in the absence of any systematic information dissemination to publicize the reparations program. One explanation of this phenomena is that increased awareness among victims and service providers has expanded the public information network, resulting in more claims filed. Due to increasing awareness among law enforcement agencies, rape crisis centers, victim/witness programs, domestic violence programs, and the public in general, a continued increase is projected.

In 1982 the Legislature assigned administration of the Rape Prevention and Crisis Intervention Services portion of the Federal Preventive Health and Health Services Block Grant to the Crime Victims Reparations Board. The Crime Victims Reparations Board had available \$35,816.00 during fiscal year 1987. A total of \$34,816.00 was disbursed to local programs, statewide. The funds were used for continuation of sexual assault prevention programs for children and adults and to create or maintain rape crisis intervention hotlines. Twelve programs received grants from this fund. (See Page 11)

K.S.A. 1984 Supp. 74-7325 established the Protection From Abuse Fund for the purpose of creating funds for programs providing services to victims of domestic abuse. The funding source established in this legislation is an \$8.00 fee assessment added to marriage license fees received in each county throughout the state. Monies deposited in the Protection from Abuse Fund are administered by the Crime Victims Reparations Board in the form of grants-in-aid.

In FY 87 a total of \$226,637.00 was available in the Protection From Abuse Fund and a total of \$175,124.00 was disbursed to domestic abuse programs statewide. The funds were used to assist funding the administration and operation of the following services within domestic abuse programs:

- (a) 24-hour crisis intervention;
- (b) shelter or safehouse facilities;
- (c) assistance and referral for victims; and
- (d) emergency transportation.

Sixteen programs received grants from this fund in FY 87. (See Page 10)

In June 1986 the Crime Victims Reparations Board applied for and received a grant totaling \$68,638.00 from the U.S. Department of Health & Human Services under the Family Protection from Abuse Fund. \$26,384.00 was awarded during FY 87 as supplemental awards to nine domestic violence programs.

II. FUNDING OF REPARATIONS PROGRAM

Prior to FY 83 the Crime Victims Reparations Board was solely funded

by the State General Fund. During the 1982 Legislative session legislation was passed allowing the Crime Victims Reparations Board to receive an assessment of \$1.00 from each criminal court docket fee collected. The money received was to be deposited in the Crime Victims Reparations Fund and used solely for payment of reparations to victims. In order to meet the growing number of claims the 1985 Legislature increased to \$2.00 the court docket fee assessment earmarked for reparations. At the \$1.00 level receipts total approximately \$475,000.00 annually.

In FY 1986 the Crime Victims Reparations Board applied for and received, under the Victims of Crime Act of 1984, federal funds totaling \$116,000.00 to be used solely for payment of reparations (\$75,468.00 was expended in FY 86 and \$40,522.00 was carried forward into FY 87.) Also during FY 86 the Legislature amended K.S.A. 74-7317 to allow moneys in the Crime Victims Reparations Fund to be used for state operations of the Crime Victims Reparations Board and eliminated the commitment from the State General Fund.

Therefore, the Crime Victims Reparations Board has evolved from an agency solely funded from the State General Fund to one solely funded from Special Revenue Funds including federal funds.

III. THE APPLICATION PROCESS FOR REPARATIONS

The office receives numerous inquiries about eligibility for reparations. However, some inquiries are not processed by opening a file because it can be determined that the victim was not eligible under the statute. Many of ineligible inquiries concern automobile and property crimes which are excluded by the statute.

If the claim meets the eligibility requirements it is necessary to:

- 1) obtain a description of the incident from law enforcement reports to determine if any provocation by the victim is indicated and, if so, to contact any witnesses to the incident for their statements;
- 2) request any additional documentation which the claimant did not attach;
- 3) check with the respective District or County Attorney's office to determine if proceedings against the offender are eminent and if so to ask that restitution be considered at the time of sentencing;
- 4) verify the victim's relationship, if any, to the alleged offender;
- 5) consider other collateral sources reported as received by the claimant as a result of the incident; for example, Social Security, Worker's Compensation, private insurance, etc.
- 6) verify employment of the victim and/or the claimant in cases of wage loss or dependent economic loss;
- 7) verify the outstanding balances of hospital and doctor bills and their relevance to the claim; and
- 8) conduct a personal interview with the claimant regarding the information contained in the claim, and the involvement of the claimant in the circumstances surrounding the incident.

The Board is subrogated to the cause of the action of the applicant against the person responsible for the injury or death of the victim and also against the offender for the amount of damages sustained by the applicant.

IV. STATUTORY HISTORY

The Crime Victims Reparations Board (K.S.A. 74-7301 - 7318) was established by the Legislature in 1978 to alleviate the financial hardships caused by crime-related medical expenses and loss of income sustained by victims of violent crimes in Kansas. The Statute also provides that some payment can be made to dependents of deceased victims.

The 1982 Legislature, H.B. 3004, amended K.S.A. 74-7305(2)(g) which allowed rape victims to be awarded reparations even though their economic loss would be less than \$100.00.

K.S.A. 1984 Supp. 74-7325 established the Protection From Abuse Fund for the purpose of creating funds for programs providing services to victims of domestic abuse. The funding source established in this legislation is a \$8.00 fee assessment added to marriage license fees received in each county throughout the state. Monies deposited in the Protection from Abuse Fund are administered by the Crime Victims Reparations Board in the form of grants-in-aid.

K.S.A. 1984 Supp. 20-362 was revised by the 1985 Legislature with S.B. 108 which increased to \$2.00 a fee assessment collected from the costs of each docket fee of a criminal proceeding in any county. This money is deposited in the Crime Victims Reparations Fund established by the original docket fee assessment legislation by the 1982 Legislature, H. B. 3005.

K.S.A. 74-7302 was amended by the 1985 Legislature, S.B. 344 to read as follows: "Within the limits of appropriations therefor, the board shall award reparations for economic loss arising from criminally injurious conduct if satisfied by a preponderance of the evidence that the

requirements for reparations have been met." The legislative intent of this amendment was to further clarify that the Crime Victims Reparations Board is not an entitlement program.

S.B. 685 passed by the 1986 Legislature amended K.S.A. 74-7317 to allow moneys in the Crime Victims Reparations Fund to be used for state operations of the Crime Victims Reparations Board eliminating the commitment of the State General Fund. S.B. 685 also amended 74-7312 to allow moneys recovered by the Crime Victims Reparations Board through subrogation to be deposited into the Crime Victims Reparations Fund rather than the State General Fund.

S.B. 700 passed by the 1986 Legislature amended K.S.A. 74-7301(e) allowing victims of motor vehicle incidents involving DUI to be eligible to receive reparations for uninsured losses under the same restrictions and limitations imposed on victims of violent crimes. S.B. 700 also added New Section 2 to K.S.A. 74-7301 which requires that any profits from the sale of books, magazines, or other publications or from any movie, radio, television presentation or live entertainment regarding criminally accused or convicted person's (or their assignee's) thoughts, feelings, opinions, or emotions regarding the crime shall be paid to the Crime Victims Reparations Board. Any moneys received are to be deposited into an escrow account until distribution of funds can be determined as outlined in New Section 3.

K.S.A. 74-3701 was amended by the 1986 Legislature, S.B. 568 which provides specific language allowing the Crime Victims Reparations Board to apply for, receive and accept money from any source, including financial

contributions from inmate worker wages thus allowing the State of Kansas to meet a mandatory certification requirement to participate in the Private Sector/Prison Industry Enhancement (PIE) Program administered by the Bureau of Justice Assistance of the U.S. Department of Justice.

SUMMARY OF ILLUSTRATIVE CASES

8320-86

This 4 and 1/2 year old girl died as the result of physical abuse over a period of time and specifically of blows to the head. Murder charges have been filed and the defendant is awaiting trial. The Board approved the maximum allowable of \$750.00 towards funeral and burial.

9003-87

This is the 3 year old sister of the above noted claim. This 3 year old suffered physical abuse, though not as severe as that of her sister, and also required extensive psychological therapy as a result of her sister's traumatic death. The Board has awarded \$4,043.75 to date for therapy expenses for her and her custodial parent, her father.

9078-87

This 26 year old male claimed to have been hit on the left side of his face with a club, knocked out, and robbed while returning to his motel room after dark. During the processing of the claim the staff investigator learned that the victim's injuries were the result of a dispute involving prostitution and drugs -- retaliation for something the victim had done. The Board denied the claim on grounds of contributory misconduct citing K.S.A. 74-7305(c)(2).

9121-87

This 6 year old male was a victim of indecent liberties and incurred medical and mental health counseling expenses. The victim's parent was on public assistance and had a current medical card. All expenses were paid by medicaid therefore the Board denied the claim on the grounds that the economic loss upon which the claimant's claim was based was recouped from collateral sources as cited under K.S.A. 74-7403(1).

9129-87

This 34 year old woman was asleep in her bedroom. Her 4 year old son was asleep in the same bed. She awoke and saw the shadow of someone standing the the doorway. She screamed, whereupon the individual in the doorway jumped on top of her, placed a pillow over the 4 year old's head and proceeded to rape her. He then fled and when police arrived they found a screen cut in a basement window. The assailant was not apprehended. Counseling and medical expenses of \$111.60 were approved.

9248-87

This 16 year old female was a victim of an acquaintance rape on or about September 15, 1986. On December 10, 1986 the victim learned she was pregnant. A police report was filed two days later. The Board denied the claim because the incident was not reported within 72 hours from the occurrence of the crime as cited under K.S.A. 74-7305(3)(e).

9270-87

This 31 year old woman was severely beaten about the face with a rifle by her boyfriend. When she put up her arms to fend off the blows, he broke both her arms with a rifle butt. The victim has some health insurance coverage. Out-of-pocket medical expenses totaling \$1,182.47 and wage loss of \$847.00 were approved.

9293-87

This 50 year old woman incurred a minor head injury while intervening in a domestic dispute. Her claim was denied because her out-of-pocket expenses were less than the statutory minimum of \$100.00 as cited by K.S.A. 74-7305(3)(g).

9301-87

This 37 year old man suffered a debilitating injury from a gun shot wound to the spine. The Board determined, however, that the injury occurred as a direct result of an illegal drug deal and denied the claim based on the fact that the victim was participating in an illegal activity at the time the injury was sustained by citing K.S.A. 74-7305(c)(2).

9321-87

This 15 year old boy was criminally sodomized by a neighbor. The neighbor confessed and was placed on a diversion agreement. Counseling expenses of \$105.50 were approved. A hospital bill was covered by insurance.

9335-87

This 27 year old foreign student was at home in his apartment studying when he answered a knock on his door. When he opened the door, he was suddenly and without provocation stabbed in the face by a knife-wielding assailant who then fled. The culprit was later apprehended and convicted. The victim was awarded \$566.99 which represented the portion of his medical bills (which totaled nearly \$4,000.00) that his insurance did not cover.

9339-87

This 18 year old from out of state was enrolled in a Kansas community college. He was killed instantly when his car was struck head on by a drunk driver who was driving the wrong way at night on a divided highway. The Board awarded the maximum \$750.00 funeral and burial allowance.

9355-87

This 38 year old woman was waiting at a bus stop at 11:00 a.m. in a busy metropolitan area when a man pulled up beside her, brandished a gun and ordered her into his vehicle. As he drove her out of town, he made known his plans to take her out in the country and rape her. She attempted to pull out the ignition keys and also to jerk on the shift lever to get him to stop or at least slow down; however, he was able to thwart her efforts. She finally opened the passenger door and jumped out of the moving vehicle. She rolled a considerable distance and was picked up by a passer-by and taken to the hospital where she was treated for a severely fractured arm. Medical bills totaling \$5,799.28 were approved.

9425-87 and 9426-87

These two 23 year old college students were asleep in their apartment when an individual who lived in the same building and with whom they had played cards earlier in the evening, kicked in their door and proceeded to attack them, inflicting knife wounds on both. The victims broke out a bedroom window to escape. The suspect was apprehended and convicted. Ambulance and hospital bills totaling \$810.87 were approved.
