

Christopher R. Wilkins, Sr., MHA

*Sr. VP For Operations, Mountain Lake Associates
Strategic Consultant, Discovery Behavioral Health*

Christopher R. Wilkins, Sr. received his master's degree in health administration from Seton Hall University in South Orange, New Jersey. He has maintained an entrepreneurial approach to solving complex service delivery problems in addiction treatment. He was the Founder of Loyola Recovery Foundation, an entity that operated for 11 years setting a practice-based evidence standard in the US Veterans Health Administration for crisis stabilization of veterans with Substance Use Disorders. Following the Loyola effort, Mr. Wilkins launched another innovation initiative to commercialize and proliferate ACHES (Addiction Comprehensive Health Enhancement Support System) on behalf of Dr. David Gustafson. The entity, CHES HEALTH, is an established sector leader in innovative technology for managing Substance Use Disorders and other behavioral health conditions.

Mr. Wilkins currently serves as a Member of the NIATx Foundation Board. He has served as a Member of SAMHSA'S National Advisory Council and is a past Board Member of the Council on Social Work Education. He is a Member of the American College of Healthcare Executives. He is a Past President of the New York State Association of Substance Abuse Providers, as well as a Past Board Member and Regional Representative of the National Advocacy Group Faces and Voices of Recovery. Finally, he is a past Board Member of the American College of Mental Health Administrators

Mr Wilkins has also served as CEO of the Westside Health Service, a Federally Qualified Health Center, Vice-President of DePaul Addiction Services, and operations director for the Steuben County Department of Community Services. He also directed the MercyCare Addiction Treatment Center, part of St. James Mercy Health System (Catholic Health East) in Hornell, New York.
