

## Clayton Carr Bio

Clayton has over 31 years of working with children, youth, and adults in behavioral health programs. For 24 years he has operated agencies and facilities as an Executive Director or CEO that provided a continuum of services. Community based services, juvenile delinquency prevention programs, secondary education alternative education programs, substance abuse counselor/counseling, out-patient SUD services, residential SUD services, residential mental health treatment for co-occurring disorder adolescents, family counselor/counseling, secure corrections residential for adolescent males, and private juvenile detention. Clayton has operated facilities in Kansas, Wyoming, Iowa, and Arkansas.

Clayton has overseen multiple Clinical, Human Resources, Education, Marketing, Maintenance, Group Living, Business Development, Business Office Services, Utilization Review, Nursing, and Case Management departments.

Clayton has 34 years of recovery from addiction and attends Narcotics Anonymous regularly as well as active in service work for NA. He found his professional and personal purpose in recovery. He believes his purpose is to carry the message of recovery through operating facilities at a high-performance level, establishing a thriving culture of progress for all team members, personally and professionally.

Clayton possesses graduate and undergraduate degrees in Rehabilitation Services with Emporia State University. 1989-1993.

Clayton served in the US Army Reserve from 1986-1990. MOS 52C
