

Pablo Mose

Pablo Mose is a partner at the law firm Rebein Brothers PA. He is a native Kansan with a Mexican-American Mother and Polynesian Father. A graduate of the University Of Kansas School Of Law, Pablo has a unique experience seeing the destruction of addiction in a diverse set of circles. From growing up as a minority in a trailer park to working at a national law firm, Pablo has seen that addiction does not discriminate based on race, class, or gender. He also, through his own recovery, has been on the frontlines of recovery and has seen the major benefits and barriers to recovery. His experience confirms the life-changing benefit of recovery organizations—particularly in rural areas of Kansas.
